Splendid in the brilliance of the sun,
Lost in the folds of wispy mist,
An educational symbol;
The physical contour of a school.
Banners of allegiance flutter hand in
hand in the teasing breeze;
Massive, yet skeletal, the classrooms

Lush, barren; the geometric field of
cinder and chalk;
A philosophical island; a world apart;
Proud and vibrant in the realization
of infinite opportunity;
This, the profile of a school.

Southeast Under Leadership of New Principal

Mr. Rex Mercer, Dean of Boys, and Miss Hazel Scott, Vice-Principal, look at the new IBM schedule programmers.

Southeast was privileged this year to be put under the leadership of a capable new principal, Dr. Wesley V. Lauterbach. With a warm welcome from the faculty and student body he soon became a part of our school.

New IBM student scheduling caused a great deal of confusion and mix-ups in classes, but with the patient help of Mr. Rex Mercer, Dean of Boys, and Miss Hazel Scott, Vice-Principal, the numerous scheduling problems were finally straightened out.

It was back to the traditional grind for faculty members as they prepared lectures, gave exams and figured grades. Seven new teachers were added to the faculty bringing the total to sixty-six. Thirteen student teachers greatly benefited from actual classroom experience.

Instructors had 1,492 students under their charge for the 1964-65 school year. Hours spent with students were extra-curricular as well as academic.

In Preparation for Class Lectures, Tests

Revealing interests, teachers found sponsoring clubs and coaching a worthwhile diversion from the regular pace. Many found satisfaction in the extra activities at Southeast as they attended concerts, plays, and loyally followed the Knights' athletic pursuits.

Hobbies, from raising quarterhorses to painting, were favorite pastimes for teachers. Outdoor activities such as camping, hunting, and fishing were most enjoyed by the men, while reading and knitting topped the list of most enjoyed activities for women.

Efficiency Keeps Southeast Running Smoothly

CAFETERIA PERSONNEL — W. Pierson, V. Snyder, V. Wright, pose with the head cook, K. Greenfield, and V. Wagner.

Head cook, Mrs. Kathryn Greenfield, and her hard-working kitchen staff were kept very busy preparing lunch for over fifteen hundred hungry students and faculty. Many custodians, under Joseph Jones, were responsible for the care and maintenance of our building.

Mrs. Marjory Courtney, school nurse, conducted numerous tests and check-ups and cared for students' aches and pains. Many details involving clerical and correspondence work were handled by a busy and efficient office staff.

CAFETERIA PERSONNEL — FRONT ROW—E. Muggy, W. Wise, D. Stastny, H. Shonewise, R. Loos, L. Johnson, E. Brennon, E. Simmons, J. Caves, M. Miller. BACK ROW—L. VanLandingham, J. Harms, I. Maske, A. Elsasser, D. Brown, A. Bartels, G. Mills, S. Miller, B. Howat.

Themes, Ordering Their Caps and Gowns

Seniors found many new and challenging responsibilities as they took over the leadership of their school. Early feelings of uncertainty and inferiority were soon forgotten as they took on the ways and mannerisms of typical Southeast seniors.

Realizing that their final year was drawing to a close, seniors began making definite plans for the future. Most were challenged by a multitude of tests and a maze of college entrance applications and employment forms.

Senior Class officers Don Shurtleff, president; Nan Webster, vice-president; Nancy Probasco, secretary; and Gregg Wright, treasurer, headed the class of 1965 which marked the close of the first decade in Southeast's history.

Class sponsors Paul Austin, Joseph Dappen, Oscar Bretthorst, Robert Hall, Charles Hemphill, Robert Lohrberg, and Elinor Mack helped seniors plan Baccalaureate, Commencement, and their various other activities.

"How much are the invitations?" "What do you use these cards for?" These and many other puzzling questions faced Seniors John Hurd and Gregg Wright.

AFS Students Promote World Friendships

Peppy Sukhatsathian, foreign exchange student from Thailand, receives sewing tips from her American "sister," Ann Smiley, in return for the latest news from Utaradit, Peppy's home town.

On a tour of Lincoln, Gretchen Garlinghouse and Denise Mostert, AFS student from Witbank, Union of South Africa, stop to admire and discuss works of art at the Sheldon Art Gallery.

Dreaming of a year abroad are finalists Mel Goldberg, Susie Jenkins, Lynda Inman and Jackie Hopkins.

Blending of Foreign,

Sophomores contemplated grammar and American literature while Shakespeare challenged English literature classes. ***Thesaurus*** was the password for senior composition students as they wrote and rewrote senior themes.

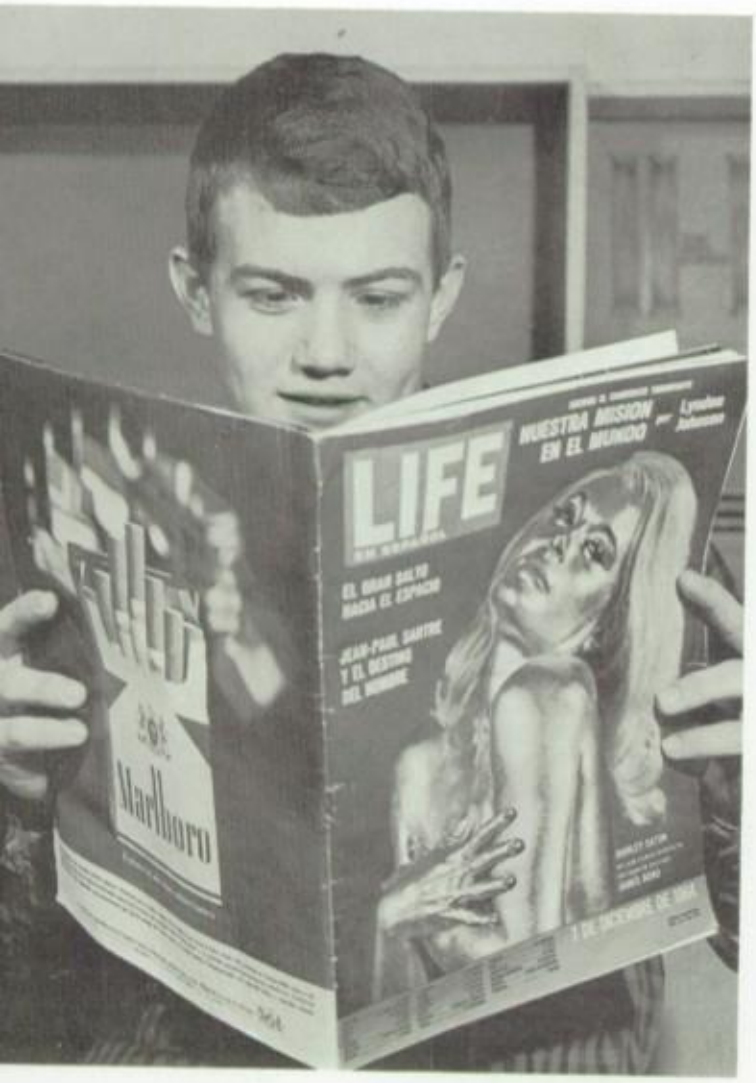
Frequent trips to the lab and endless hours of pronunciation practice were a part of foreign language study. ALM enabled students to check out records to improve dialogue recitation.

"I can't find anything but commercials," quips Jim Koch. Paula Jones, Ron Nelson, and Jim stay after their TV English class, but there are no shows.

Nancy Dean stretches and Dave Murray lends a helping hand as they hang pinatas, a part of the Spanish culture.

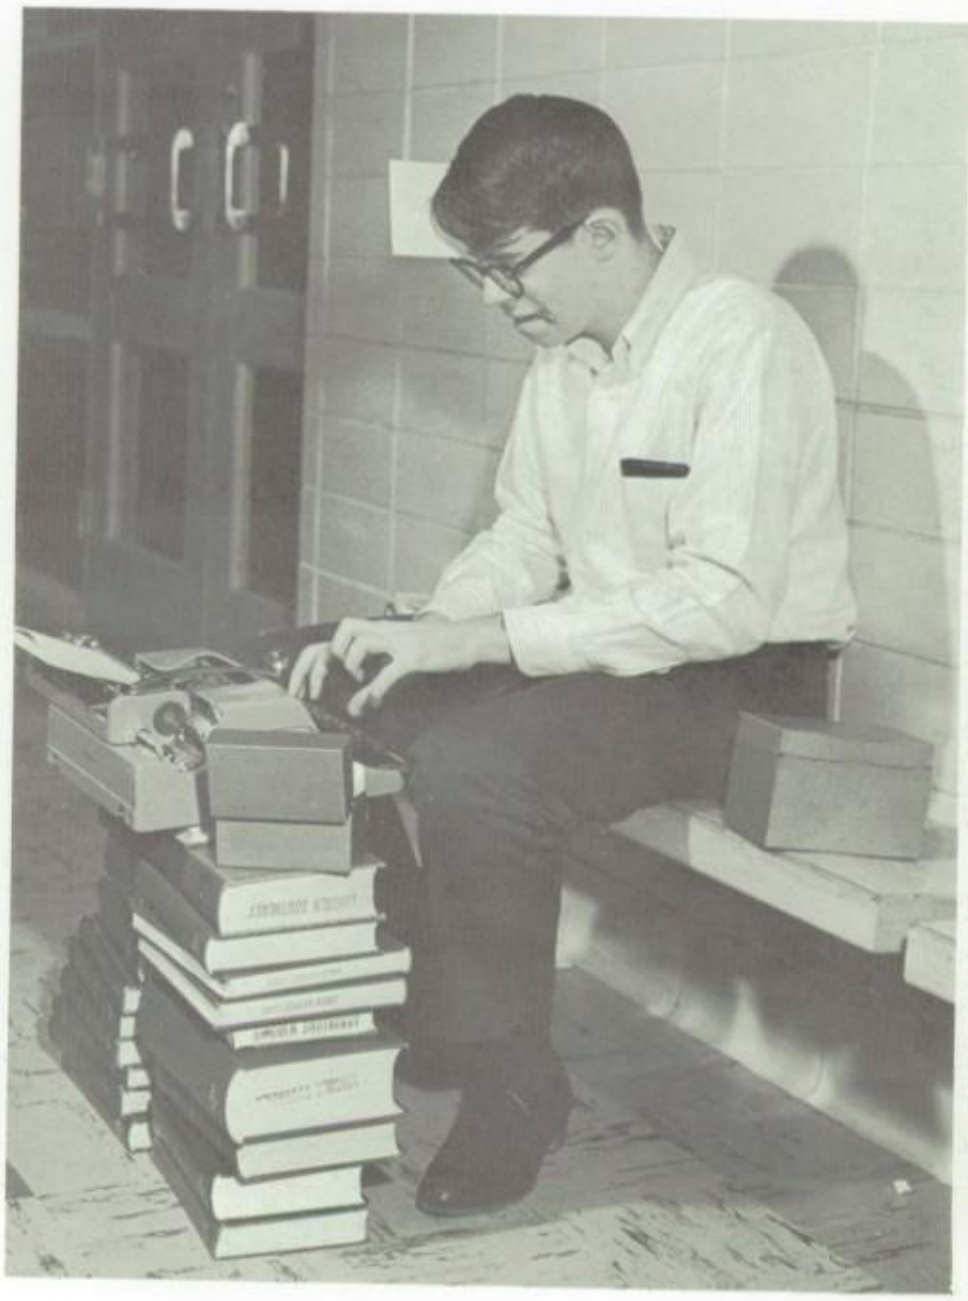
English Grammar Aids Understanding

The tape recorder and control board assist Sarah Higley in applying her foreign language in the lab.



Dick Hawley decides that "Goldfinger" is just as exciting in Spanish in Life magazine — "en espanol." Karen Frick sticks to the English version.

You'll never believe it, but Mick Lowe's senior theme is due next period. He'll come through—as all seniors must.



"If I've told you once, I've told you a thousand times!" Gunnar Overgaard demonstrates to his PSSC physics class a method of measuring distances.

Added Lab Rooms Extend Opportunities

Unusual odors drifted from the old and new chemistry facilities as students examined the elements. Double period chemistry was also offered for aspiring Southeast scientists.

In BSCS and standard biology, pupils anticipated the dissection of frogs as physiologists probed the mysteries of the human body. Physics classes studied and applied the properties of sound, light, electricity, and heat.

Don Rauch and Susie Wondra agree that conducting chemistry experiments isn't exactly a Saturday night pastime. Still, it's a two-way project.

"According to my calculations, this switch doesn't do anything!" Nancy Gibson, biology student, acquaints herself with a new piece of equipment, the "Climatorium."

Scientists Both Challenge and Accept Facts

Steve Russell finds that bravery, as well as brains, is required in physiology as Kris Sinkey pricks his finger.

Jackie Hoenig and George Witt seem to disagree about whether current or historical events are more important to social studies. Someone should tell them that both are necessary.

Social Studies Classes Observe Elections,

Anticipating the progress of their stocks, Carol Wallace, Charis Christensen, Scott Parker, and John Lehigh study the business section of their newspapers. Finding other uses for her newspaper, Jef Furr remains calm and unconcerned.

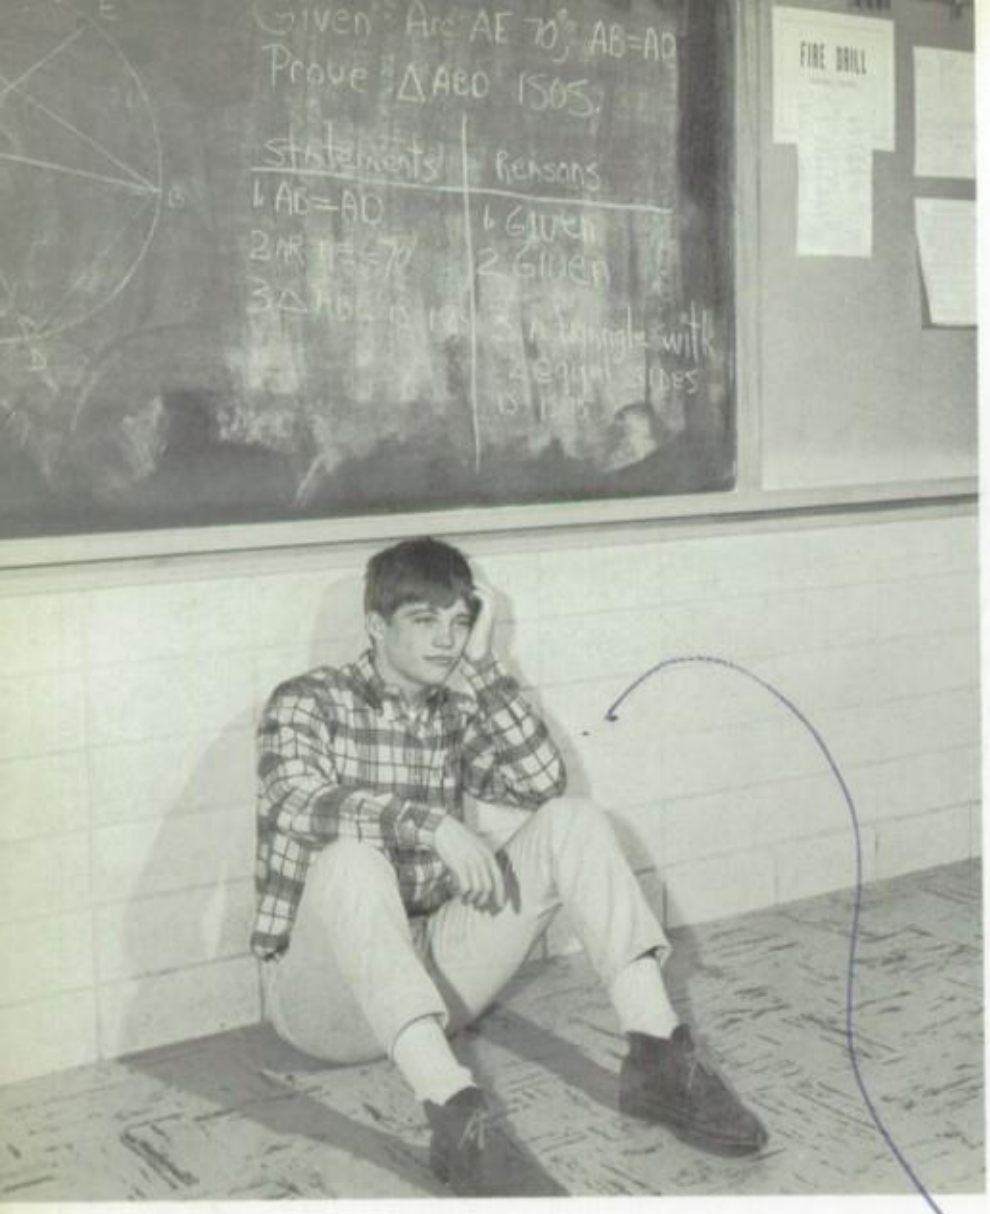
Acting as Justices of the Nebraska Supreme Court, Doug Nelsen, Deloris Ryman, Jeanette Hoffman, Susie Carlson, Nancy Burroughs, Sally Newville and Mike Jett view Nebraska government from the top.

Compare Current, Historical Happenings

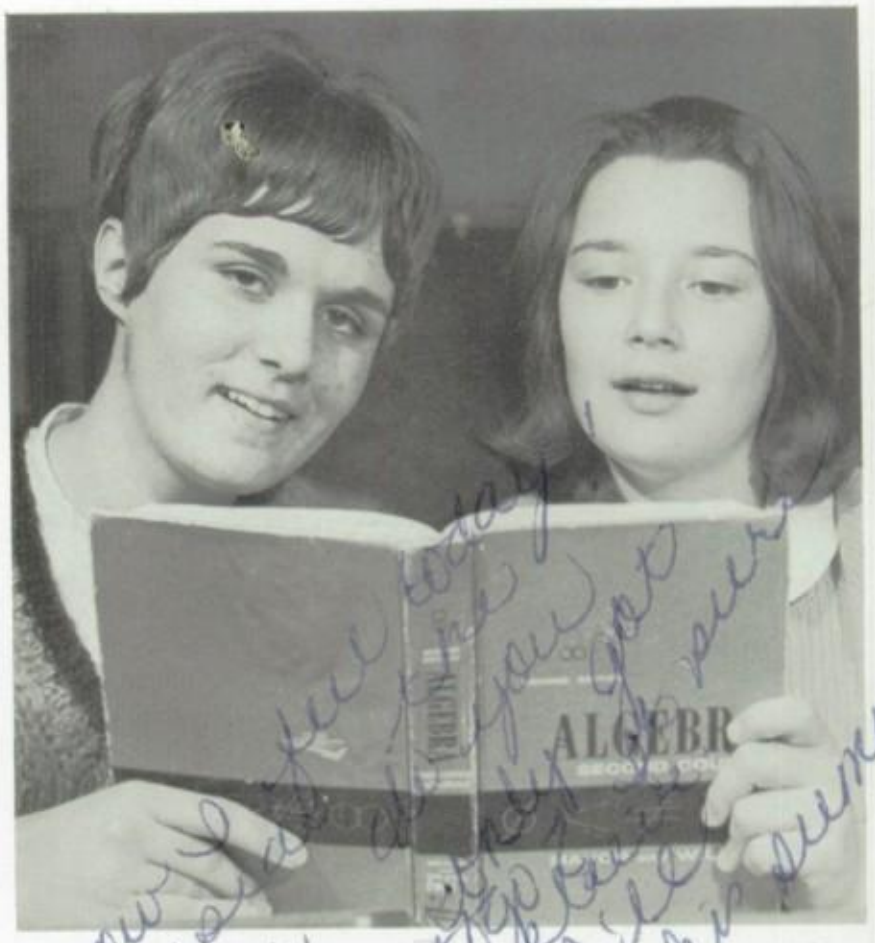
Presidential elections in 1964 provided information and added interest to social studies classes.

Government classes studied election procedures and the importance and function of different offices. American history students related this election with former ones while economics classes noted the effect of the election on the stock market. The election served as a good example of world progress for world history students.

After months of hard work, Kathy Levine puts final touches on her world history project.



"I don't ever want to go through that again," sighs Pat Mooberry as he finishes a proof.



"You'll never believe what it says in here!" Terry Dillworth and Molly O'Brien discover that algebra isn't quite as boring as they expected.

Master Minds Exercise Powers to Reason

Bill Roux proves that his slide rule is just as accurate as Alice Asman's when working problems. It's also a lot easier to carry home!

Mathematics proved challenging to students as always. Radii, congruent triangles, quadratic equations, and sine functions were all a part of the language frequently used in classes.

Assisting each pupil were compasses, rulers, protractors, slide rules, and countless tables and theorems.

Hours of figuring resulted in piles of scratch paper, broken pencils, and worn-down erasers but also—a relieved student with the right solution.

Business Classes Profit from New Facilities

"Debit cash and credit advertising expense, or is it the other way around?" Bookkeeping classes were kept on their toes while learning to balance books. Future secretaries followed guidelines to increased speed and accuracy in shorthand and typing classes.

Thirty new IBM typewriters were installed this year at a total cost of $12,000. The machines are equipped with listening apparatus and can also be used to teach key punch operation.

Desk sitting isn't on her schedule, but Pat Hensley finds it goes with shorthand. Buford Jones commends Pat on both.

Concentration combined with the advantages of modern machines improved each pupil's skill.

"Which would look best where?" Jan Christensen carefully considers the possibilities before she finishes her window decorating project.

Music students worked vigorously for the school musical, "South Pacific," as they practiced songs and dances. Large choirs as well as small groups were offered for interested singers.

Taking advantage of the snow, art students added it to their plentiful collection of supplies by making large snow sculptures in the school yard. The artists also experimented with abstract paintings and drawings.

Practical Arts Offer Skills and Knowledge

Home economics classes set foundations for the future. Studying child guidance and making children's clothing and children's meals prepared the girls for parenthood. Making suits and cooking foreign foods provided enjoyment and satisfaction in homemaking.

The printing class proved to be a school necessity by printing passes, programs and announcements. Perfection was the aim of the mechanical drafting class in detail and assembly drawing.

Dave Burkey takes note as Bruce Watson demonstrates the technique necessary to operate a printing press.

Susie,
Well ole buddy schools out, finally. Ill see you again next year same time same place but a senior then. Hope you have fun and raise — but be good (if possible) Good luck with Jerry - he's a tuff head!
Kiss + Laughter always!

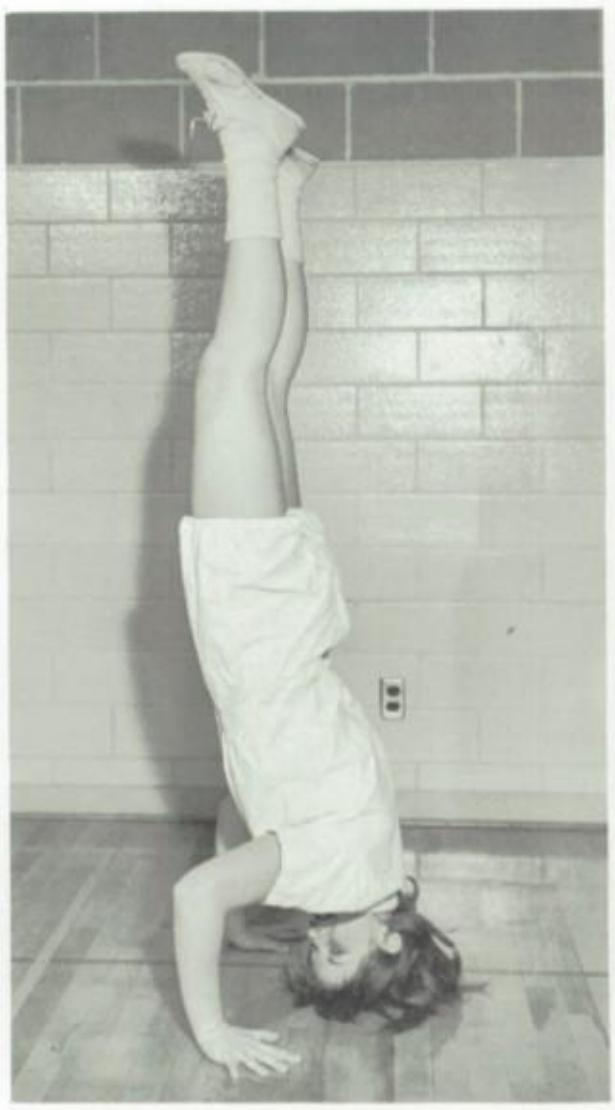
As Kris Weber put in stitches, Ruth Norton takes them out. Both skills are needed to make a suit.

Competing vigorously in basketball, girls in physical education appreciate the exercise and relief from studies that the class offers.



Legs straight, toes pointed, elbows out . . . Nancy Hall finds that even a headstand takes concentration.

Swimmers, Gymnasts Learned Basic Skills

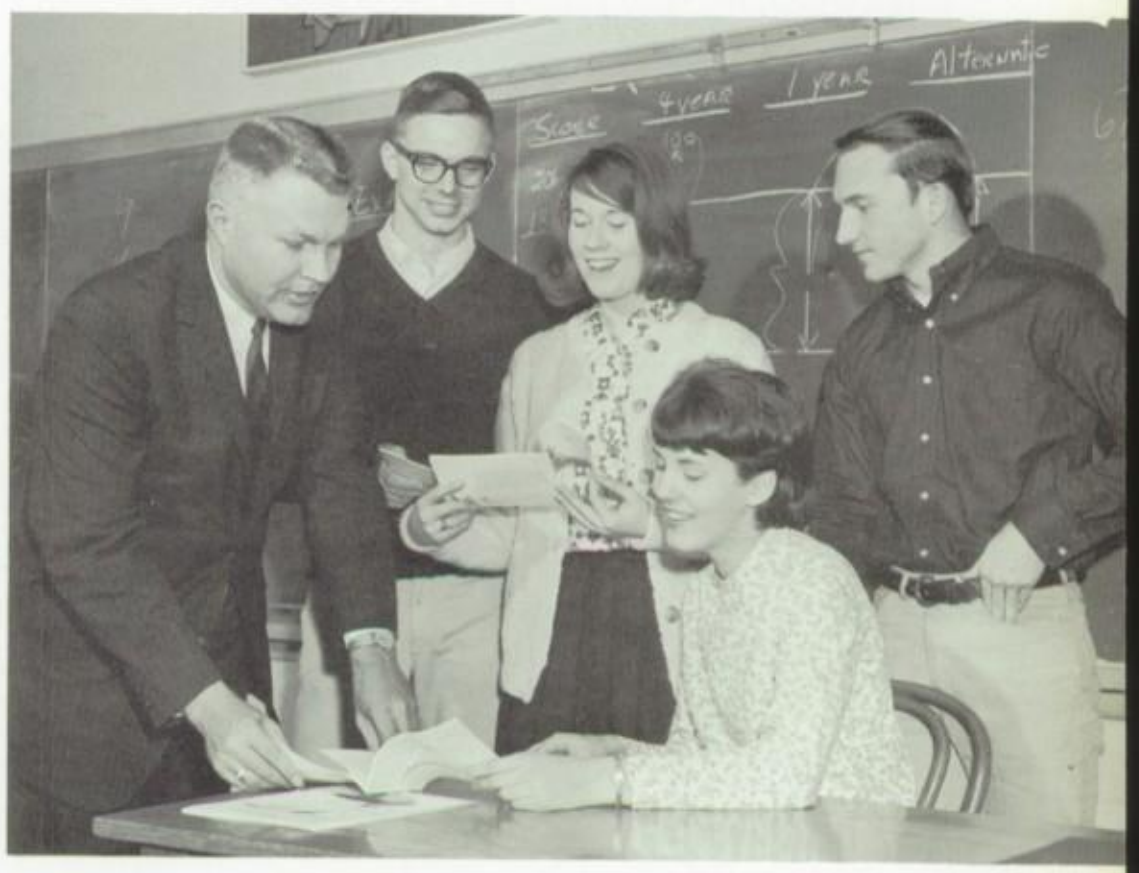
Cat robbers? Notorious spies? Just a swimming class trying to get in the pool before anyone sees them in "those awful tank suits."

Participating in varied team sports, physical education students strived toward an understanding of the rules as well as development of skills. Besides competitive sports, gymnastics was a part of the curriculum. Standardized skills tests, given second semester, were an indication of physical fitness.

Beginning swimming classes learned basic skills and practiced water safety as advanced swimmers participated in Red Cross life saving courses. In the spring, fundamentals of life saving were put to use in mixed classes.

Guidance Students Look Toward the Future

"Mad Scientist isn't in here." Connie Klepinger reports to a disappointed Barb Buckley. The guidance files contain information on *most* occupations.



Counselor Charles Hemphill lends a sympathetic ear to Joy Preece, Dick Hall, Jill Graham and Jim Powell who protest that the results of the PSAT are more difficult to understand than the actual test.

What are the requirements for graduation? Why do people act the way they do? When do you know it's love?

How do these questions link together? They are among the ones raised by students in their guidance classes.

Sophomores planned three-year programs, considering requirements and fields of interest, while juniors delved into personalities. Seniors discussed love and marriage as well as college.

"It looks like an ink blot to me," Susie Riggle sighs after viewing her paper from all angles. Junior guidance pupils took the ink blot test during their psychology study.

Added Efforts to Encourage Lounge Use

Members Kathy Ewing, Marcia Goldenstein, and Dick Elders risk their health to become official refreshment tasters for lounge parties.

The theme of the State Student Council Convention, "'64 Progresses More Through Student Leadership," became the goal for Southeast's Council. Painting, refurnishing, and sponsoring class parties in the lounge encouraged usage of the lounge. Other tasks were running school elections and participating in intra-city exchange programs and Meet the Principal sessions.

Student Council members, Ellen Hayes, Karen Dotson, John Cunningham, Peppy Sukhatsathian, Bob Erickson, and Gregg Wright, leave for the Nebraska Association of Student Councils Convention in Fremont.

"Thanks anyway, but walking wakes us up for early morning Council meetings," claim Betsy Stover and Bob Pewthers to other members, Dave Landis and Don Shurtleff.

Become Major Tasks for Council Members

Checking over last minute plans for the Student Council exchange day with Omaha Westside are members John Icenogle, Denise Mostert, Bob Wolfe, Harold Blount, sponsor, Jane Hanson, Jack Brickson, and Judy Wright.

Tired of waiting for professionals, Gail Tupper, Nan Webster and Jef Furr combine talent to paint the lounge.

"Wait till we get our hands on the culprit who stole our prune. We'll really fix him!" exclaim Sally Newville, Mary Payne, and Susie Frisch.

Creating a Profile of the Knights became the ultimate objective for the SHIELD staff. With a little luck, much determination and a lot of hard work, that creation became a reality.

Ideas, copy writing, layouts, picture takes and retakes had deadlines to be met. The mixed spirit of excitement and pressure made the staff more eager for the first view of the SHIELD 1965, ready for Signing Party distribution.

Efficient '65 SHIELD Staff Attains Goal As

Doug Dworak, Maryann Jorgensen, Bob Beckman, Pat Hensley, Nancy Probasco and Linda Danielson take time out of their schedules to examine the 1965 cover design done by Jack Gartside, artist.

Learning from experience, Shield photographers Dick Fowler, Jeff Shneider, Houston Doan, Bill Hinze and John Breslow spend many hours in the darkroom studying camera equipment.

Aspiring Staff Edits More Six-page Clarions

A mild mannered reporter, a female sports editor and the thought-provoking "Ratiocination and Such" were new features of the Clarion. More additions were a modernized name plate and a publication for the Parent-Teacher-Student Association. Six-page editions featuring the national election activities, holiday festivities, and special school events became frequent.

Lu Wallace, Peppy Sukhatsathian, and Vicki Umberger are calm as the deadline nears, but Alex Currie sweats it out with technical problems.

"All we need are Christmas lights and John DeFrain will be the perfect Christmas tree," agree Kathy Augustin, Bruce Watson, and Janet Carlson.

"Relax guys, we have one minute to get these Clarions sold," reassures Cathie Cather and Connie McGraw to John Alloway and John Hall.

Thespians Seek Goal

"Does the squeak of Miles' (Dave Landis) pencil send shivers through you?" inquires Flora (Jenny Seyler) to Miss Giddens (Janet Carlson).

From two precocious orphans and a sensitive young governess to the colorful and amusing character of Eliza Doolittle, Thalian members were challenged with "The Innocents" and "Pygmalion."

Ronda Ryan is amazed by hep baby Cheri Gorham in a pantomimed version of "Babysittin' Boogie."

"Extra, Extra!" was the theme of Nite of Knights this year. The program, held March 18, 19 and 20, included an "extra" diversification of acts. There was the hint of a hootenanny, drama in "Colloquy of the States", music in "The Underdogs" and humor in "Gripper Girls" and "Babysittin' Boogie."

Recipients of talent and originality awards were Jill Eiche in "Story Time," Ginny Hanson and Terry Schmitt in "Single Girl" and the Clarion staff in "The Foiling of Percy Putrid." Emcees Al Wood and John Hall co-edited the "extra"-special 1965 Nite of Knights.

The Knights' Stage

Cable (Doug Dworak) is intrigued by the enchantment Bali Ha'i as sung by Bloody Mary (Elaine Schuchman).

Excited sailors applaud vigorously as Nellie Forbush (Vicki Evans) and Billis (Jeff Drew) enact "Honey Bun."

Comes Alive As 'South Pacific' Is Performed

"Oh, Billis, it was so nice of you to do my laundry," cries Nellie despite the kidding sailors' accusations.

A tender moment of mixed emotions for Nellie confuses sophisticated Emile de Becque (Jim Swanson).

Southeast choir members, under the direction of John Cole, became seabees, nurses, marines, sailors, and Polynesian women as they presented the popular musical play, "South Pacific."

Intriguing, amusing lines and appealing songs captivated the audiences as the romantic plot between Nellie Forbush and Emile de Becque, and Lt. Cable and Liat was enhanced by military humor, gay dances, and the island stage settings of the South Pacific.

Appearing stern, Nellie washes Emile de Becque out of her hair and sends him on his way.

Future Teachers also had the privilege of speaking to Dr. Lauterbach and a representative of the Lancaster Association for Retarded Children.

Art Interests Strengthened in Quinquatrus

Quinquatrus, Southeast's art club, gave students opportunities to further their art interests. Personal projects decorated the Lounge Christmas tree and made up the annual Spring Exhibit as scenery for the fall and spring plays and the operetta became group projects.

Field trips, speakers, sketching trips and the annual Quinquatrus picnic completed the club's activities.

International Club Promotes Understanding

International Club officers open a meeting answering questions, passing attendance sheets and taking dues.

International Club helped promote a deeper understanding of people and nations through speakers and activities. Projects were created to raise money to help support an AFS student.

FNA Obtain Practical Career Knowledge

The Future Nurses Club of America acquired valuable insights regarding the nursing career through lectures by nurses, doctors, and laboratory technicians. After touring three Lincoln hospitals and schools of nursing, the Future Nurses traveled to Omaha to visit the Children's hospital. Concluding the year's activities was a tea honoring sophomores and FNA alumni.

"Wait a second! I'm not sure I want to go through with this now," protests Darlene Meyer to other future nurses, Nancy Kay Strehlo, Chris Grasmick and Joyce Davidson.

Red Cross Solicits Funds, Sponsors Projects

Sponsored by Miss Flora Bergt, the Red Cross kept busy earning money for their club and promoting good will to Lincolnites. Southeast students helped the Red Cross make five families happy during Christmas by bringing canned goods, money, clothes and toys. A hanger drive, bake sale, and the selling of concessions added money to the treasury.

Among piles of hangers are Vicki Hertzler and Linda Ryon who agree the drive was a success.

After the initiation of twenty-one new members, the Synkra Knights began preparing for their annual swim show. Entitled "New York, New York", the show consisted of acts ranging from "Central Park" to "Coney Island."

A duet by Tish Walker and Jenny Seyler and Virginia Vallicott's solo act "Miss Liberty" highlighted the show.

The April performance was directed by Mrs. Kathy Jurgens.

"You'll never get my money," exclaims Molly O'Brien to Sally Phelps, Nancy Worrall, Sally Kimberlin, Nancy Thorne and Stacy James as they rehearse for their act, "the Chase."

Active Cheerleaders Generate Spirit at LSE

To promote enthusiasm and spirit at Southeast, sharp and clear-cut cheers were introduced this year by the seven varsity cheerleaders. Activities for these girls included pep rallies, pre-game dinners, and the sale of booster buttons and victory ribbons. The money earned from these sales made it possible for the cheerleaders to sponsor a dance after the annual Southeast Chili Feed.

Five energetic reserve cheerleaders were tapped in November to inspire the reserve basketball team on to victory.

Reserve cheerleaders Nancy Dort, Ginger Flansburg, Mary Mussen, Pam Rash and Teri Brady exhibit perfect formation as they prepare for the game.

Black, gold or white, cardigan or pullover, short or long sleeved, the sweater was final proof of the S Club member's athletic abilities.

In addition to initiations, the members elected Homecoming and All-Sports queens, roped off the game floor at halftime and provided rally and game support. Dues and profits from program sales financed the S Club Scholarship awarded at the All-Sports Banquet.

Carrying on the ten year old S Club tradition of the initiation board are officers Gregg Wright, Bob Erickson, Dale Guilford, and Doug Dworak.

As a tribute to the team's outstanding play, four Knights were chosen for the All-City slate: tackle Jim Kohl, end Pete Shelley, guard Jim Swanson and back Doug Dworak. Dworak was also awarded All-State by the press.

Characterize Southeast's Victorious Season

An old story was reenacted in the season opener as Southeast was stunned by cross-town rival Northeast, 20 to 0. Once again the Knights dominated the statistics with 13 first downs compared with 5 for the Rockets. Northeast managed only 71 net yards on the ground facing a tough Knight's forward wall led by Seniors Dale Guilford, Jim Swanson. Steve McCormick and John Baskin.

Southeast suffered its second setback in as many weeks at the hands of Grand Island, 7 to 0. Southeast once again failed to score as they saw two would-be touchdowns forfeited by penalty infractions. Gaping holes made by Seniors Jim Kohl and Kip Deitemeyer enabled the Knights to penetrate Islander territory time after time, helping to pile up over 210 yards on the ground.

Southeast exploded for 40 big points in its third game of the young season as they downed the Hastings Tigers 40 to 0. Six Knights figured in the scoring brigade headed by Senior Bob Erickson's 51-yard burst and Senior Chuck Robert's 42-yard jaunt with a recovered fumble. Junior Bill Jennings's great defensive efforts were instrumental in setting up two Knight touchdowns.

Nearly flawless football was turned in by Southeast as they rolled over the eighth ranked Fremont Tigers 40 to 19. Senior Bob Erickson's strong running game helped in ripping apart the Tiger defense for 315 yards. A stiff defensive showing highlighted by Senior Sid Stewart's two pass interceptions, one going for a 35-yard touchdown, kept the versatile Tiger backfield in check.

Junior Dick Hawley uses his all-important speed in picking up vital yardage during a touchdown drive.

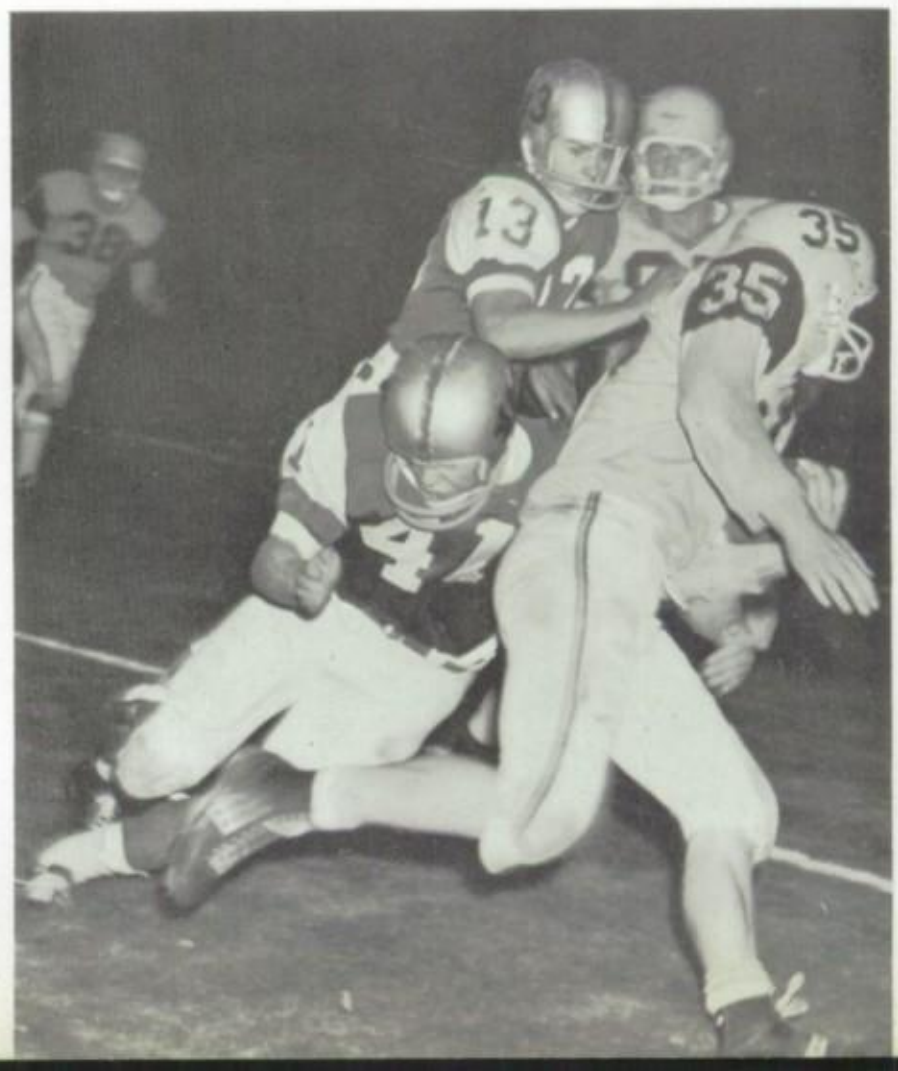
Links Fall to Black and Gold for Third Time

Bellevue provided Southeast with enduring competition before going down in defeat 14 to 6 to make it three in a row for the Knights. After spotting the Chieftains an early second-quarter touchdown, the Knights staged two scoring drives which clinched the victory. Sparkling line play by Seniors Jim Kohl and Pete Shelley was the key to Southeast's outstanding defense.

Southeast's third consecutive win over arch rival Lincoln High, 13 to 12, kept their victory string alive at four. Traditionally tough football was displayed throughout the contest as the Knights' triumph was again decided by Senior Bob Erickson's extra point. Senior Dale Guilford's fourteen unassisted tackles kept the Links at bay for most of the hotly-contested inter-city game.

The Black and Gold made Beatrice its fifth consecutive victim blanking the Orangemen for the third straight year, 32 to 0. Senior Tackle Jim Kohl got the Knights rolling as he blocked his second punt in two weeks and rambled to the two-yard line. The Knights, while piling up a 16 to 5 first-down margin, received a reliable running game from Juniors Dick Hawley and Mike O'Neal.

Knights' All-City end, Pete Shelley, cleverly evades a tackler to pick up needed yardage.



Eluding blockers and tacklers, Senior Halfback Bob Erickson plunges for a first down against Bellevue.

PAT Again Decisive

Southeast's defensive team turned in a top performance as the Knights felled Lincoln Pius X, 10 to 6. The defensive unit held the Thunderbolts in two of three goal line stands and nearly held on the third. The offensive hero for the Knights was Senior Bob Erickson who scored all ten of the Knights' points and had as an individual effort a 32 yard field goal from a difficult angle.

Fine defensive play by Seniors Kip Deitemeyer and Dale Guilford produced the third shutout of the year and provided the Knights with the finest record in their history. The key defensive play was a blocked punt by Guilford while the timely passing of Junior Tom Kos supplied the offensive punch in the 20 to 0 victory over Omaha Bishop Ryan.

Doug Nelson, senior fullback, picks up a Knight first down before being greeted by four LNE defenders.

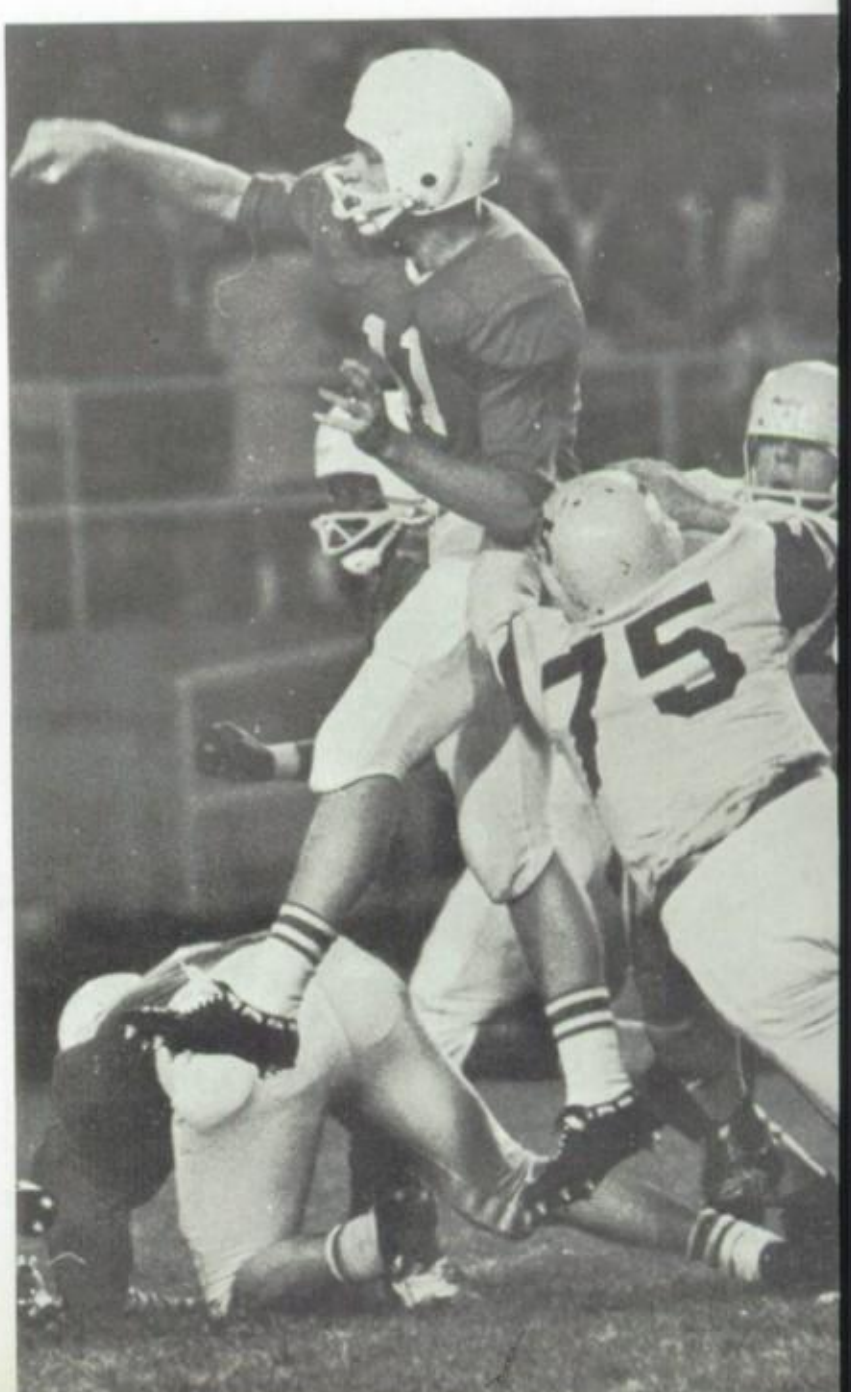
Gibbons

Beginning a perfectly executed play, one which produced four touchdowns against Fremont, Junior Quarterback Tom Kos starts a handoff to Senior Halfback Doug Dworak. Leading interference is Senior Fullback Bob Erickson.

Ardent Workouts Produce Knight Victories

Anxiety, joy, sorrow and a few tears describe the most successful campaign in Southeast's history. It required a special team effort to make the comeback that the Knights accomplished this year. After two opening losses, the Knights quickly recovered with seven wins, of which three were shutouts. The team found that these games were won through tough, rigorous, daily workouts. These spirited practice sessions plus careful coaching techniques prepared the team for their weekly clash.

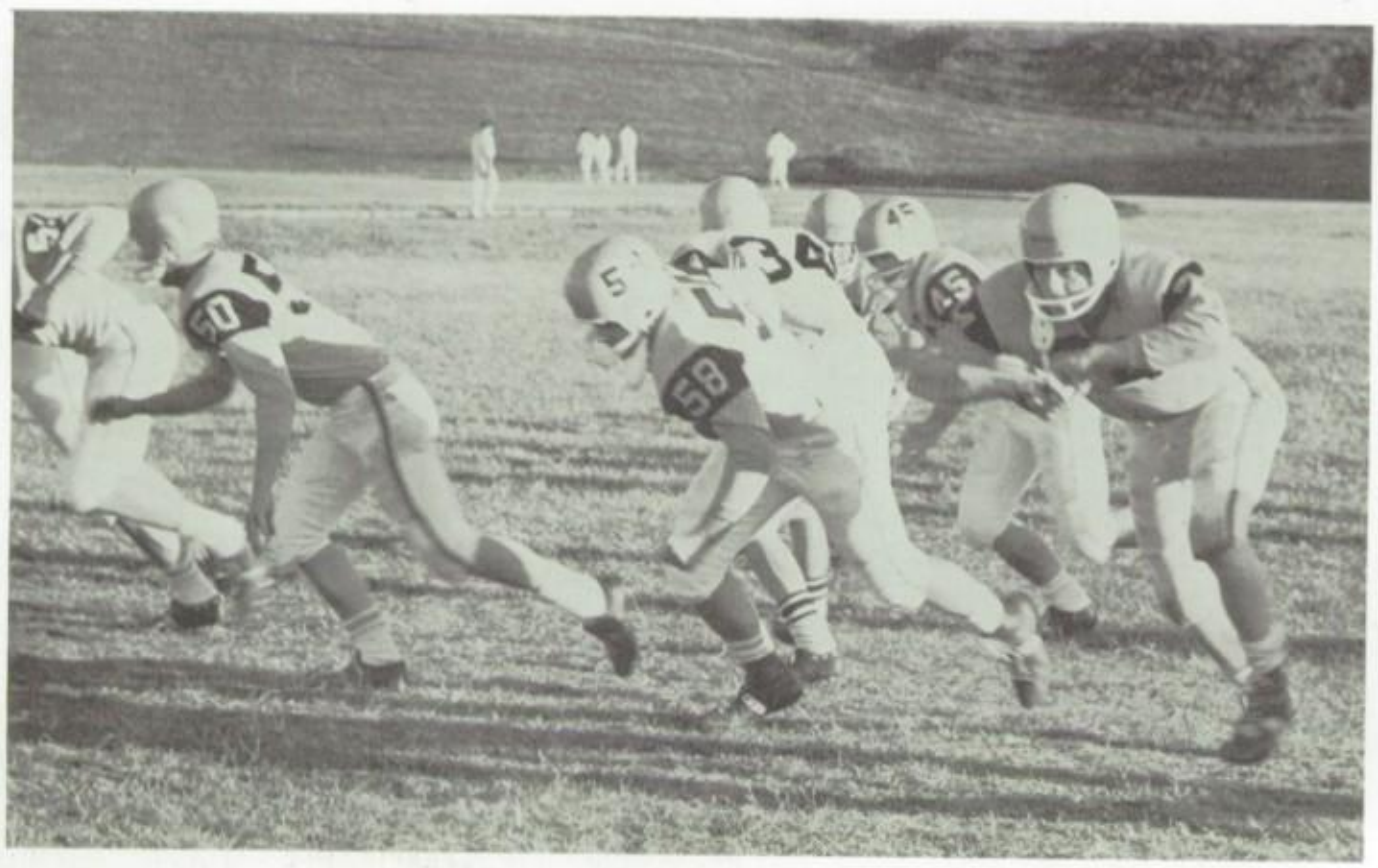


Senior Tackle Dale Guilford's (75) aggressive rushing continually kept the Links off balance.

Drive for Perfection

Mid-week scrimmages help condition the team as well as sharpen each individual's blocking and tackling skills.

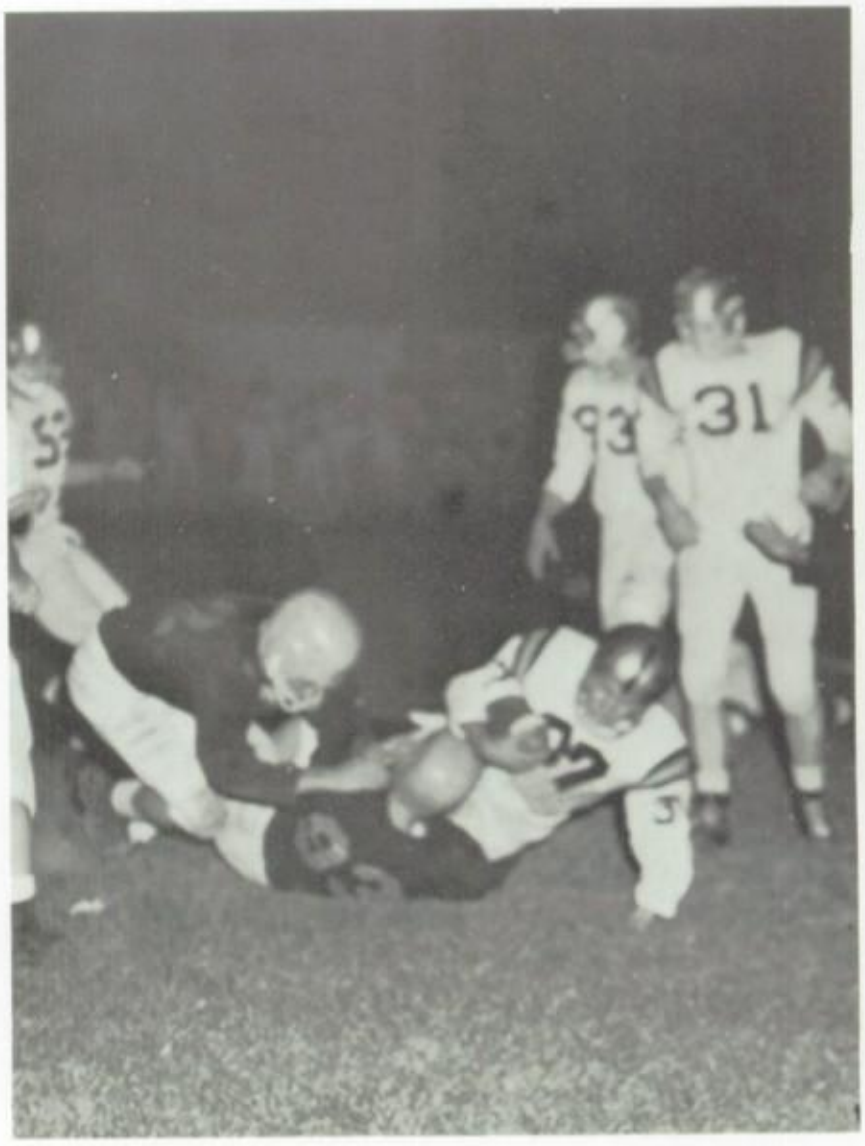
The "block across" plays an important part in the Southeast offense as End Bob Findley prepares to demonstrate against Linebacker Bob Erickson.



In preparation for the upcoming game, players put on game uniforms to practice and perfect execution.

Diligent Reserves Prepare for Next Year

Southeast's reserve gridiron team, with the passing of Sophomore quarterback Craig Lutz and the running of Junior halfback Ron Bumgarner, compiled a creditable 3-0-1 record this season. The Knights' 0 to 0 tie with the Links was the only flaw in their otherwise perfect season. A main factor in their successful season was the strong line play headed by Junior Dave Feerhusen.



Tough defense displayed by Juniors Steve Mitchell and Mike Fosdick throw a Thunderbolt for a loss.

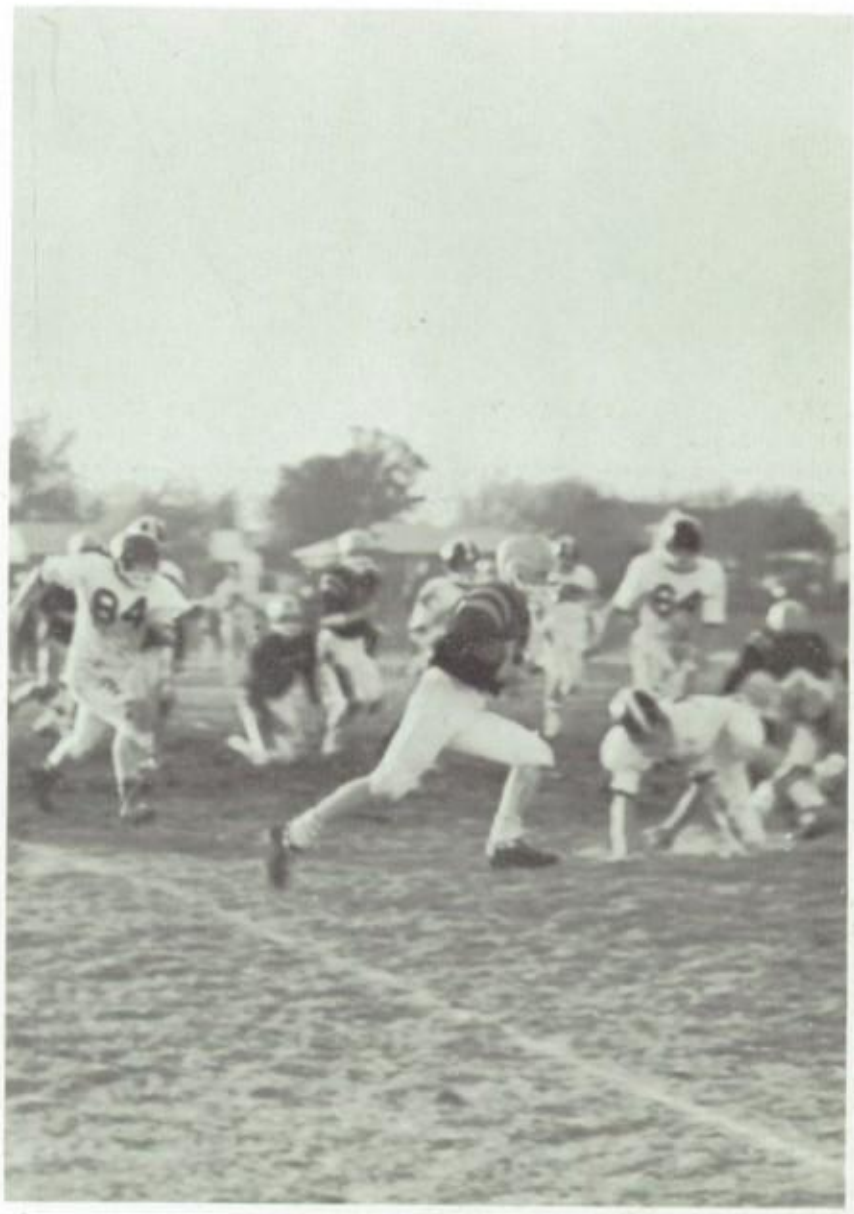
Fundamentals Aid Sophs in Winning Season

A hard hitting and dedicated group of sophomores compiled a 3-2 mark for the 1964 campaign. The young Knights scored victories over Beatrice, Pius X and Lincoln High while dropping two to a strong Northeast squad. Line play led by Guard Rick McComb and End Paul Thomas combined with the passing of George Hinman and running of Scott Dworak to supply a potent attack.



Scott Dworak throws a key block for sophomore fullback Dave McEwen as he races for yardage.

Seniors Jim Ludwig and Lee Duckworth and Junior Jim Larson pace the Knights in 1964 inter-city action.

Added Depth Proves Beneficial to Harriers

Southeast's Cross Country team, improving with each meet, finished a relatively successful season. Senior Jim Ludwig paced Coach Churchill's harriers to a second place finish in the city meet and then displayed his individual talent with a sixteenth place finish in the State Meet. Adding depth to this year's team were Senior Lee Duckworth and Juniors Jim Larson and Craig Cross.

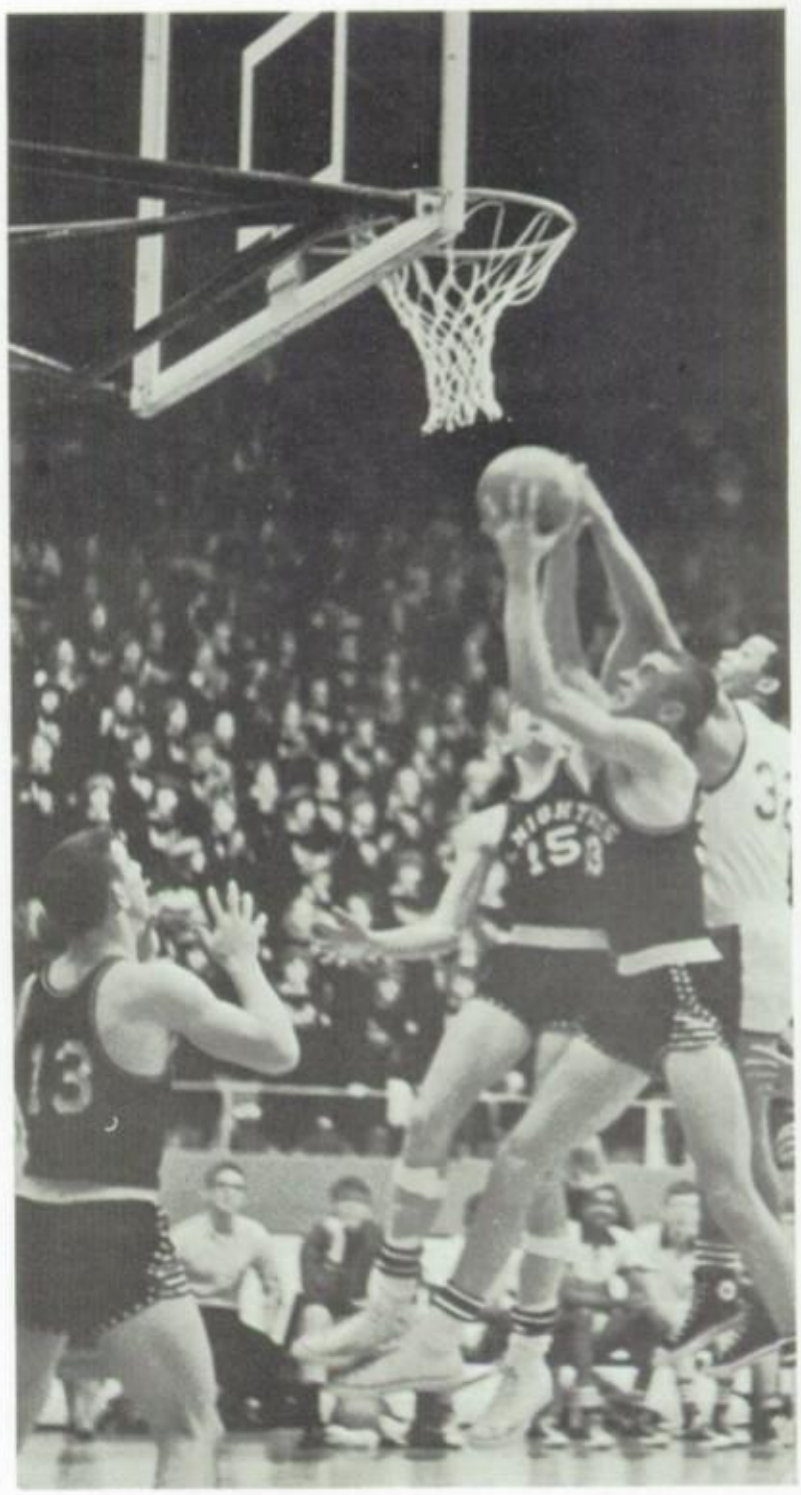
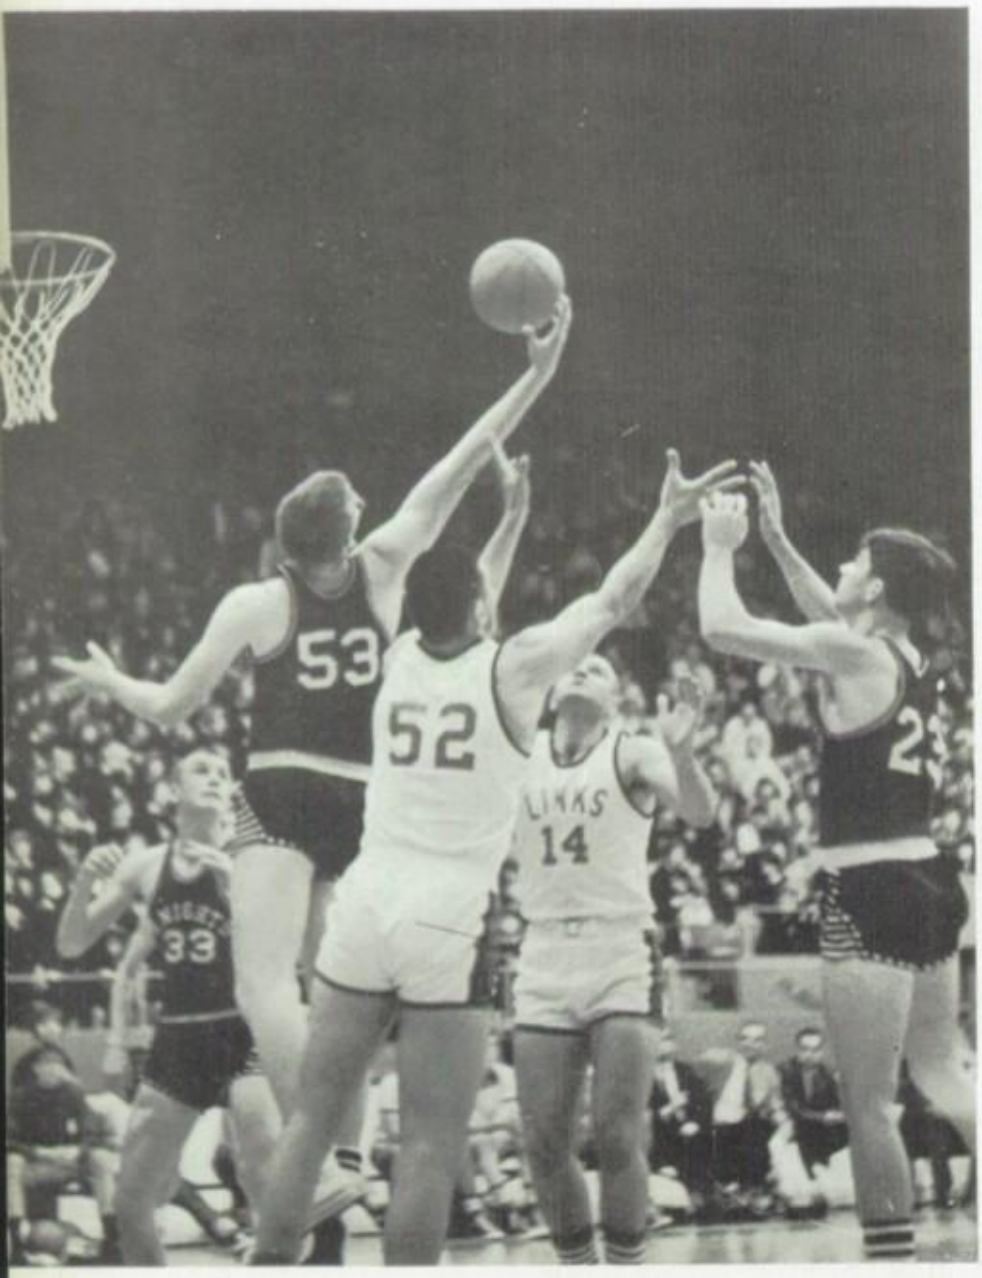
Links Fall to LSE Three Consecutive Times

While winning only six of sixteen games, the Knight cagers finished a relatively successful season under Coach Bob Lohrberg. Capturing the runner-up spot in the district tournament and tieing for the city championship were the high spots in this year's campaign. The Knights split two games with district champion Northeast. Three wins over arch-rival Lincoln High capped the Knight's drive for the city title.



Pulling down an all important rebound in the closing minutes of the Knight's 64-61 win over Lincoln High is center Ron Burgess (53).



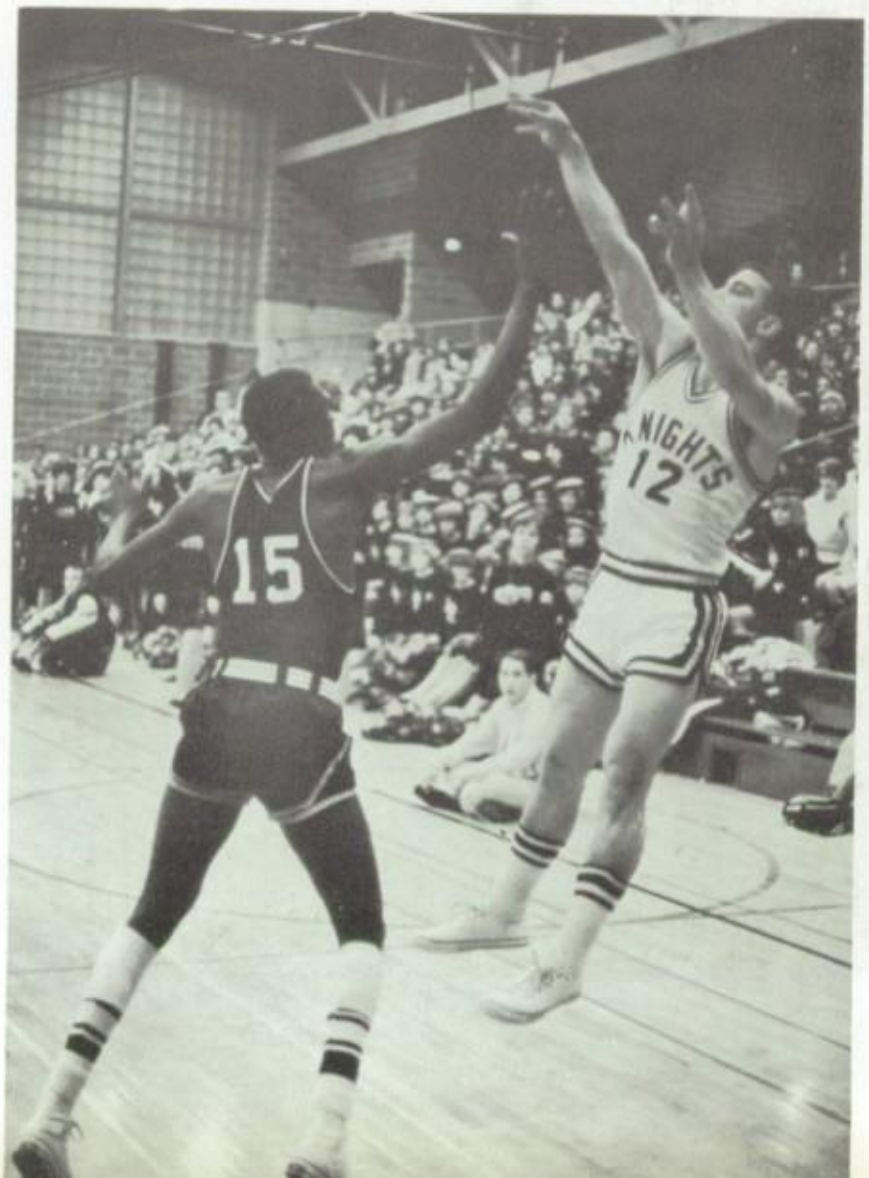
Knights Jim Deitemeyer and John Cunningham match strength with Link Henry Jackson for a rebound in waning moments of the game.

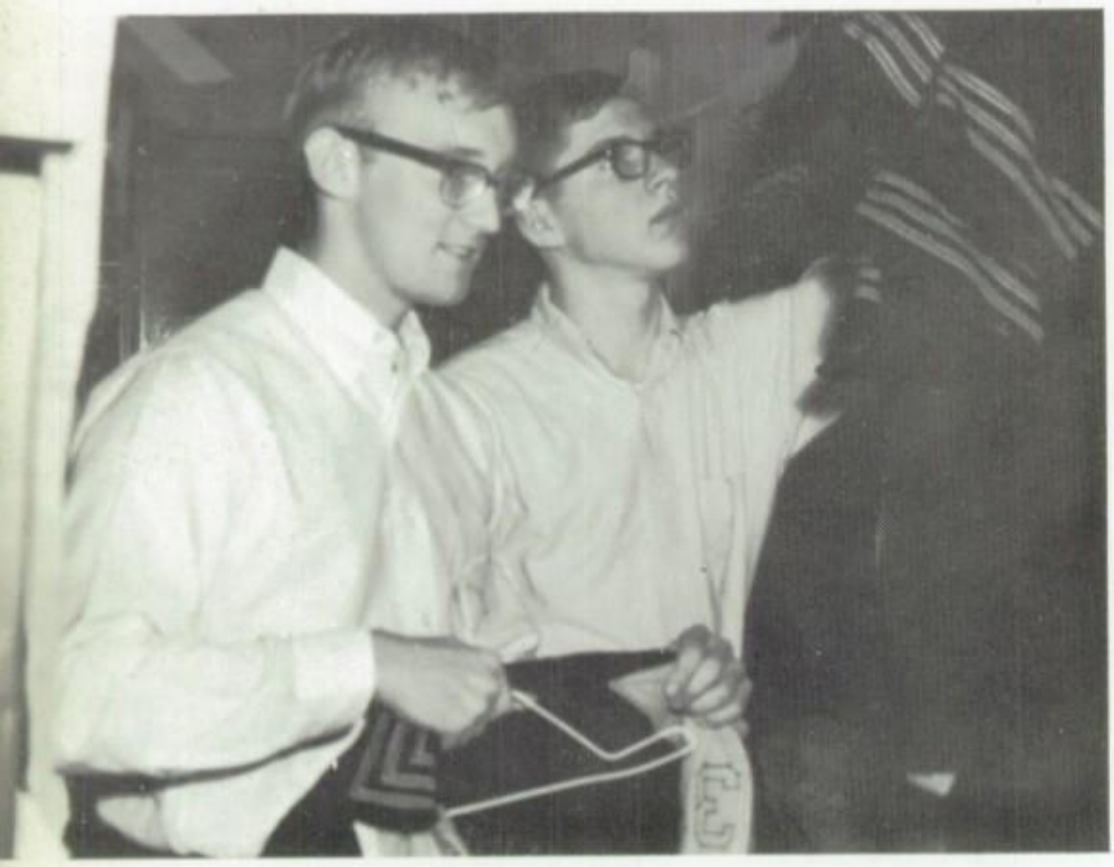
"What's up there?" wonder Knight cagers Jim Kohl (45) and Doug Dworak and a host of Pius defenders as the inter-city contest is temporarily halted in search for the ball.

Knights Upset Fourth Ranked Rockets 36-35

Pacing this years basketball team in both scoring and rebounding was center Ron Burgess. The 6′ 4″ senior tallied 216 points and 128 rebounds for the 16 game cage season. Senior Doug Dworak was second in scoring with 179 points and tied redheaded Bruce Bowers for the second spot in board retrieves at 99. Both Burgess and Bowers scored at a 42 percent clip from the field.

Guard Chuck Roberts hits for a basket in a losing cause against state power Omaha Central.





Managers Steve Schatz and John Icenogle pack varsity and reserve uniforms for the weekend contests.

Southeast basketball coach Bob Lohrberg leaves his 6th period class for the gym where he spent his time coaching the Knights to a 6-10 season and a deadlock for the city title with Northeast.

Seeking relief after a tough practice, Doug Dworak and Rick Knapp find contentment in a hot shower.

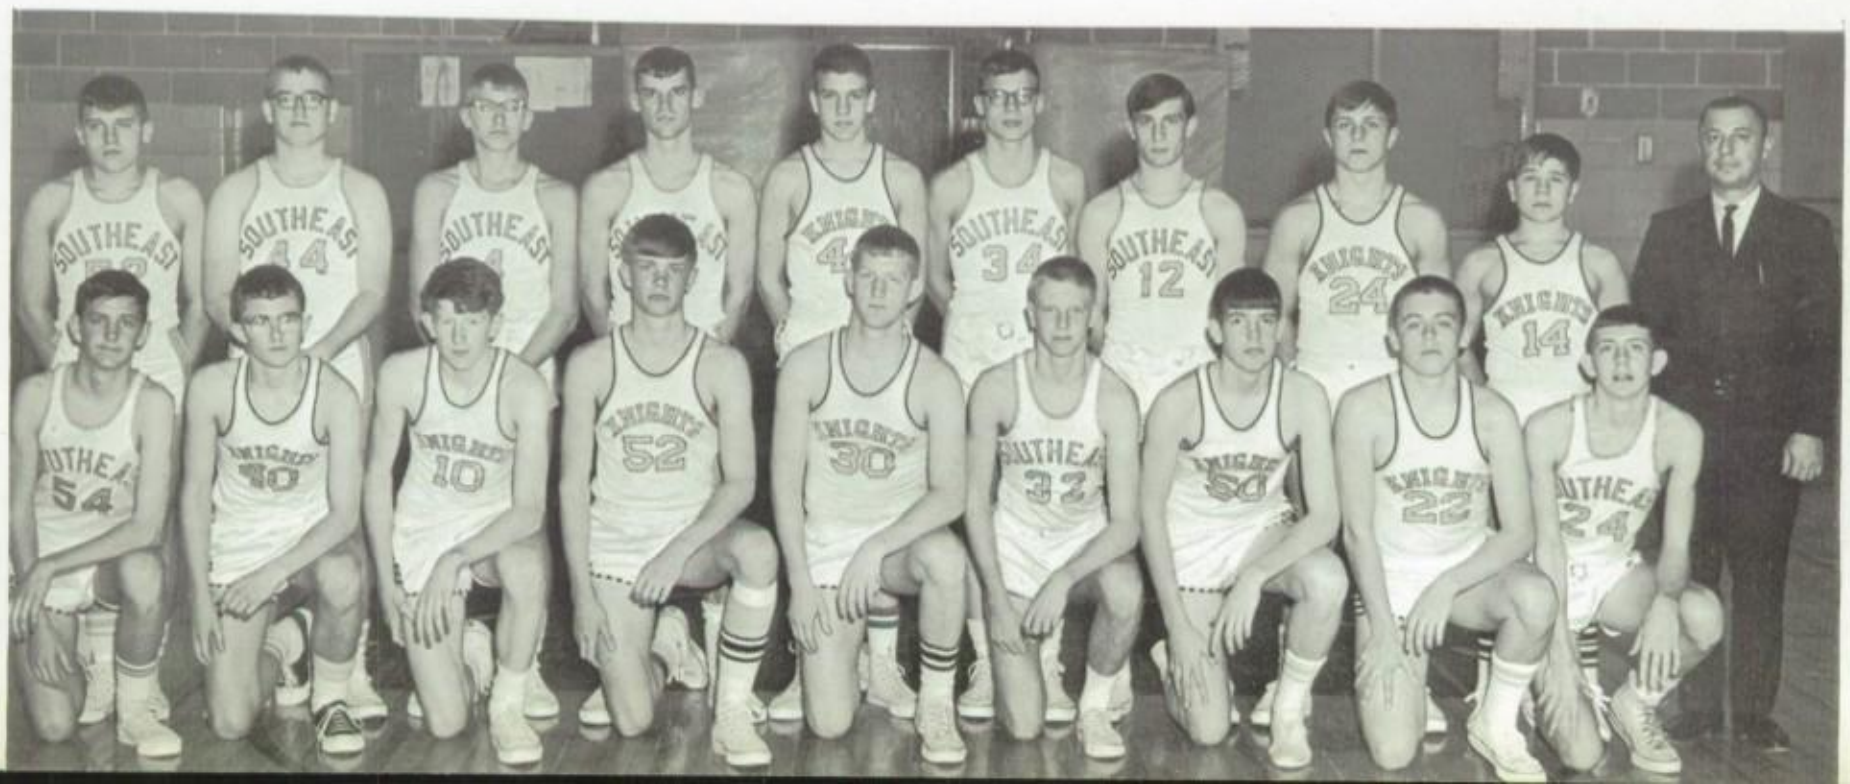
Varsity Goal Set by Sophomores, Reserves

Completing a fair 6-8 season under new Coach Denny Pueltz, the reserve team used good teamwork and hustle to shun off a height disadvantage. Junior Steve Duermeyer's 11.2 average combined with the rugged rebounding of Ron Nelson and Mike O'Neil and the swift playmaking of Sophomore Scott Dworak provided the junior Knights with some sound basketball.

Despite a poor 2-7 record, Coach Al Karle's sophomores made up for their losing season with needed experience and knowledge for the coming years.

This year's team was paced by center Scott Kennedy. Kennedy led the sophomores in both scoring and rebounding. Backing him up were backcourt men Tom Hayes and Gary Lutman. Helping out with the board work was forward Doug Brown.

SOPHOMORE BASKETBALL TEAM — FRONT ROW—Ed Wagner, Scott Brunzell, Benny Volz, Bart Dennis, Bob Duffek, Mark Tallman. Gary Lutman, Dave McEwen, Tom Hayes, Coach Karle. BACK ROW—Jim Carrier, Mike Miller, Don Hill, Scott Kennedy, Bill Banks, Bill Stoner, Bob Rawson, Doug Brown, Steve King.



Knight's Depth Leads to Undefeated Season

The Southeast varsity swim team rallied to defeat Omaha Westside 82-81 and claim their seventh consecutive state title. Trailing by a single point as they entered the final event, the Knight tankers overtook Westside to place fourth in the relay and first in the state swim meet held at Lincoln High pool.

Gregg Wright placed first in two events and shattered his own state backstroke record, being timed at 58.4.

Southeast won five dual meets, the Trans-Nebraska, and the city title enroute to another undefeated season.

The Knights found the intra-city action tough this year, losing to both Lincoln High and Northeast twice.

While placing fourth at the Trans-Nebraskan Meet, the Knights ended the season with an overall record of 5-4.

Demonstrating his ability on the parallel bars, Senior Scott Parker perfectly executes a one arm lever.

Senior Pete Shelley, 145 lb. state champion, led the Knights to an eighth place State Wrestling Meet finish. Seniors Bob Erickson, Art Bley and Joe Stroh placed third, fourth and fourth respectively in their individual weight classes. Stroh also placed first in the North Invitational at Omaha.

Although winning only 3 of 7 dual meets the matmen swept the city, district and Trans-Nebraskan titles on the way to their eighth place state finish.

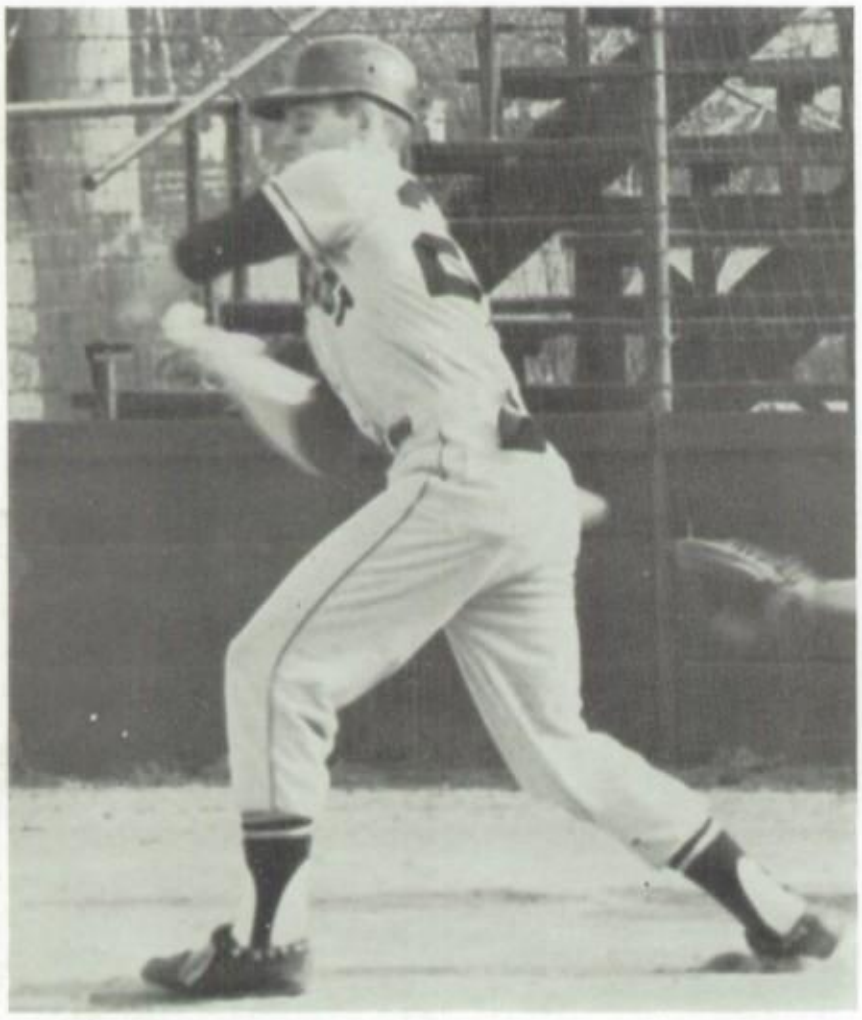
BACK ROW—Ron Bumgarner, John Kos, Dale Guilford, Jim Deitemeyer, Kip Deitemeyer, Bob Findley, Tom Tidball, Coach Gordon.

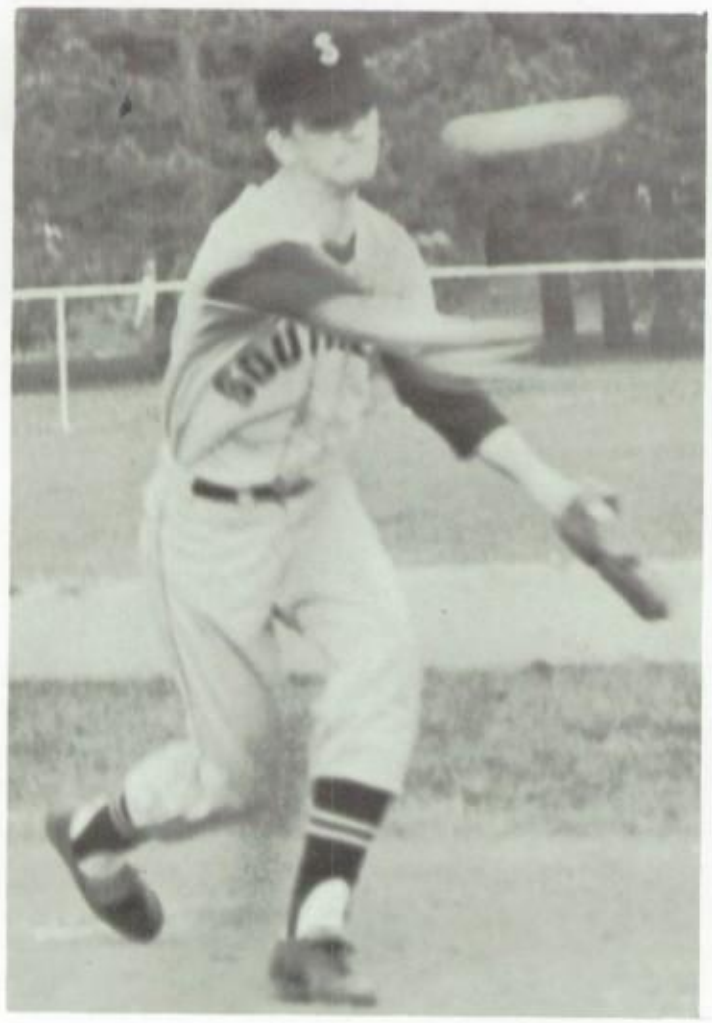
Baseballers Look Toward City, State Titles



Bill Roux takes a level cut while keeping his eye on the ball during an intra-city baseball game.

A chance for a state tourney berth was among the high hopes set by this year's varsity baseball team. Pitching seemed the strongest position with letter winners Tom Kay, Rick Knapp, Chuck Roberts and Bob Erickson. Other lettermen include infielders Dale Guilford, Tom Tidball, Bob Findley and Jim Kohl. Outfielders back are Kip Dietemeyer and Doug Dworak.

Southeast's initial contest was scheduled with Lincoln Pius X on April 9, followed by a road trip to Council Bluffs' Thomas Jefferson on April 10.

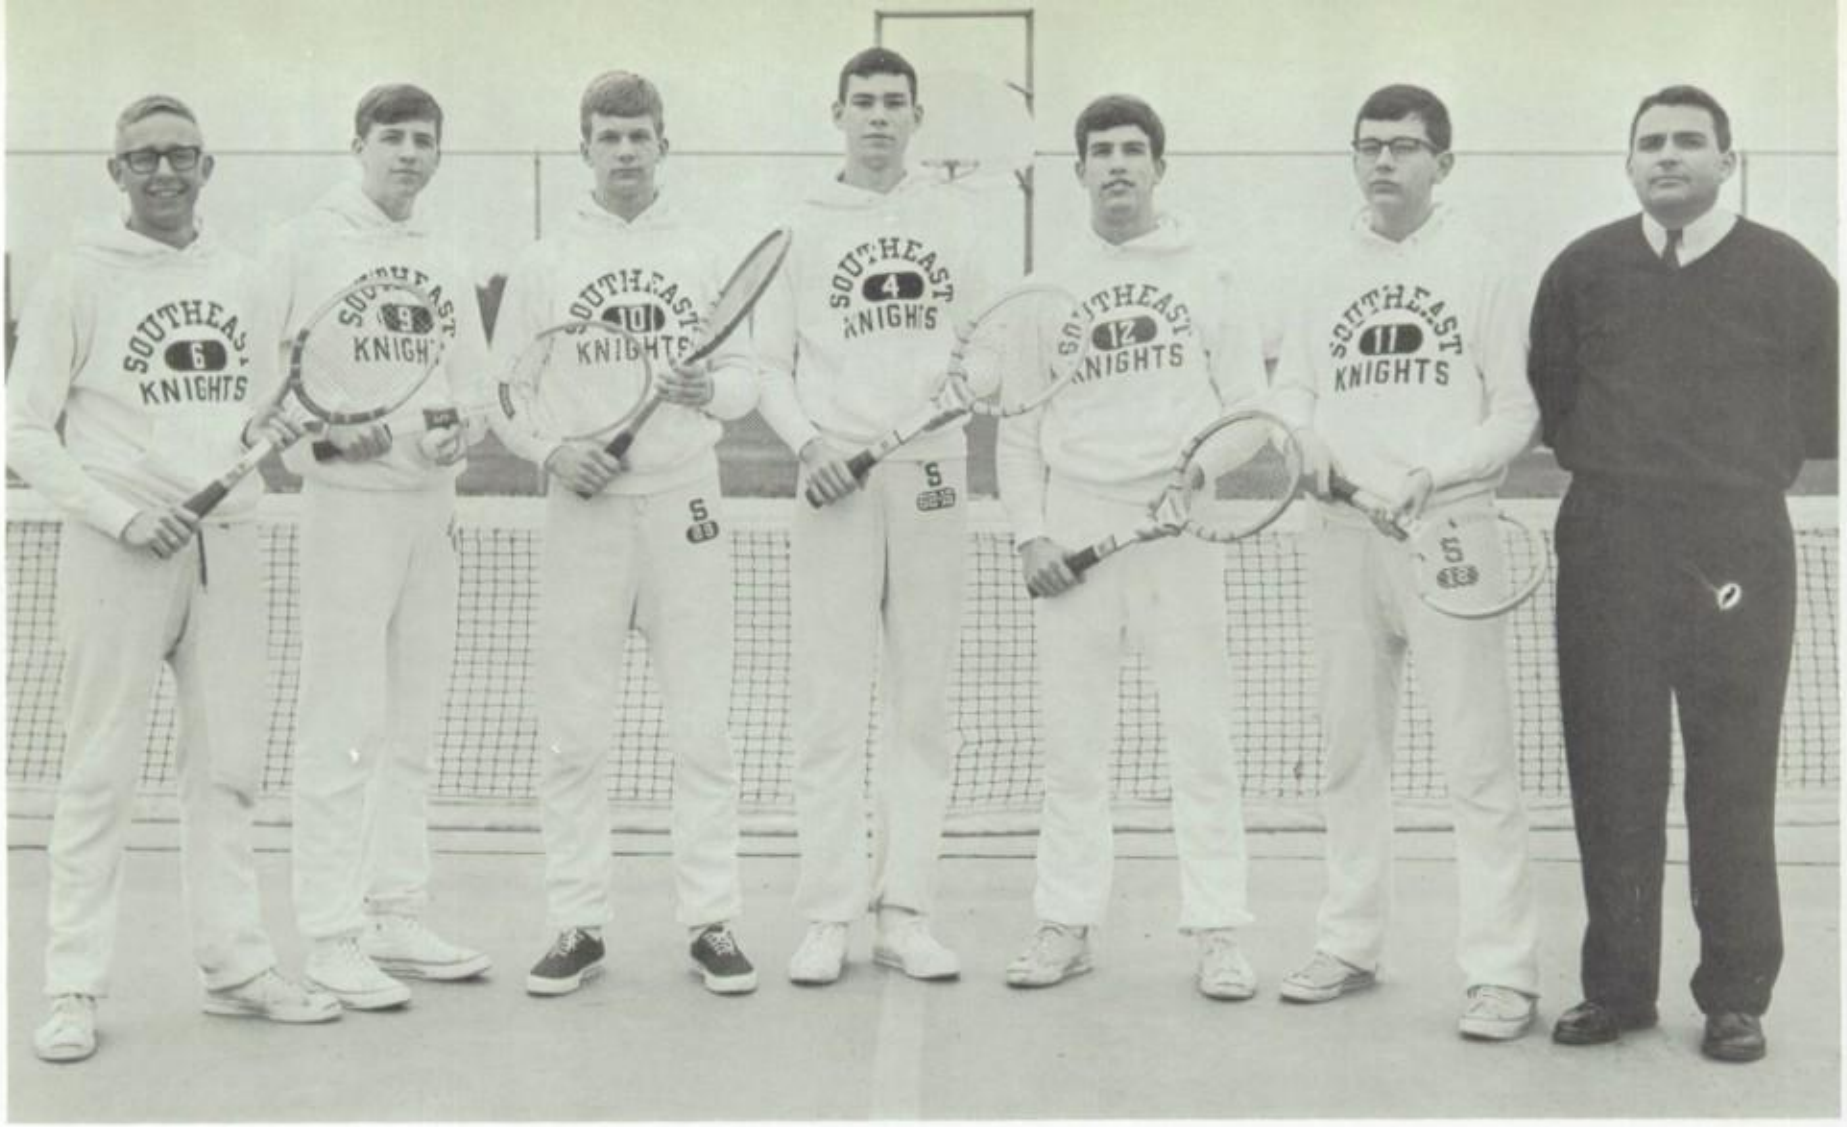


Rick Knapp displays mid-season form while pitching in the third game of the season.

Dale Guilford, senior first baseman, stretches for a late throw during the Knights' losing contest with Northeast.

After Three Initial Games Postponed by Rain

RESERVE BASEBALL TEAM — FRONT ROW—Dennis Vance, Gary Davis, Ken Rownd, Tom Hayes, Dick Henderson. ROW TWO—Les Zadina, Doug Zoerb, Robert Parker, Jon Roberts, Dave McEwen, Bob Griess. BACK ROW—Barry Mann, manager; Ron Nelson, Mike O'Neil, Steve Davis, Craig Lutz, Curt Sonderegger, Stan Delair, manager; Coach Karle.



VARSITY TENNIS TEAM — FRONT ROW—Jim Weaver, Scott Stuart, Tim Ash, Alex Currie, Rob Hurlbutt, John Defrain, Coach Jerry Trimble.

Early Wins Spur Netmen Toward Fine Year

Late season snowfall and unusually cold weather postponed early outdoor tennis matches, but practice sessions continued indoors. Coach Jerry Trimble's tennis team boasts only lettermen Rob Hurlbutt and Alex Currie, as much of the team was drawn from reserves.

Promising candidates for varsity positions included Seniors Tim Ash, John Defrain, and Junior Jim Weaver.

Following an inter-squad tennis match, Tim Ash and John DeFrain demonstrate the chivalry of sportsmanship needed in every athletic contest.

Wet Golf Links Halt Practice, Cancel Meets

With Senior Kim Tyler the sole returning letter winner, the bulk of the Southeast golf team, coached by Paul Austin, came from last year's reserve squad and a fine crop of sophomores.

Senior golfers Kim Tyler and Walt Radcliff, Juniors G. E. Breed and Charley Davies, and Sophomores Scott Brunzell and Bart Dennis headed the list of contenders for varsity positions.

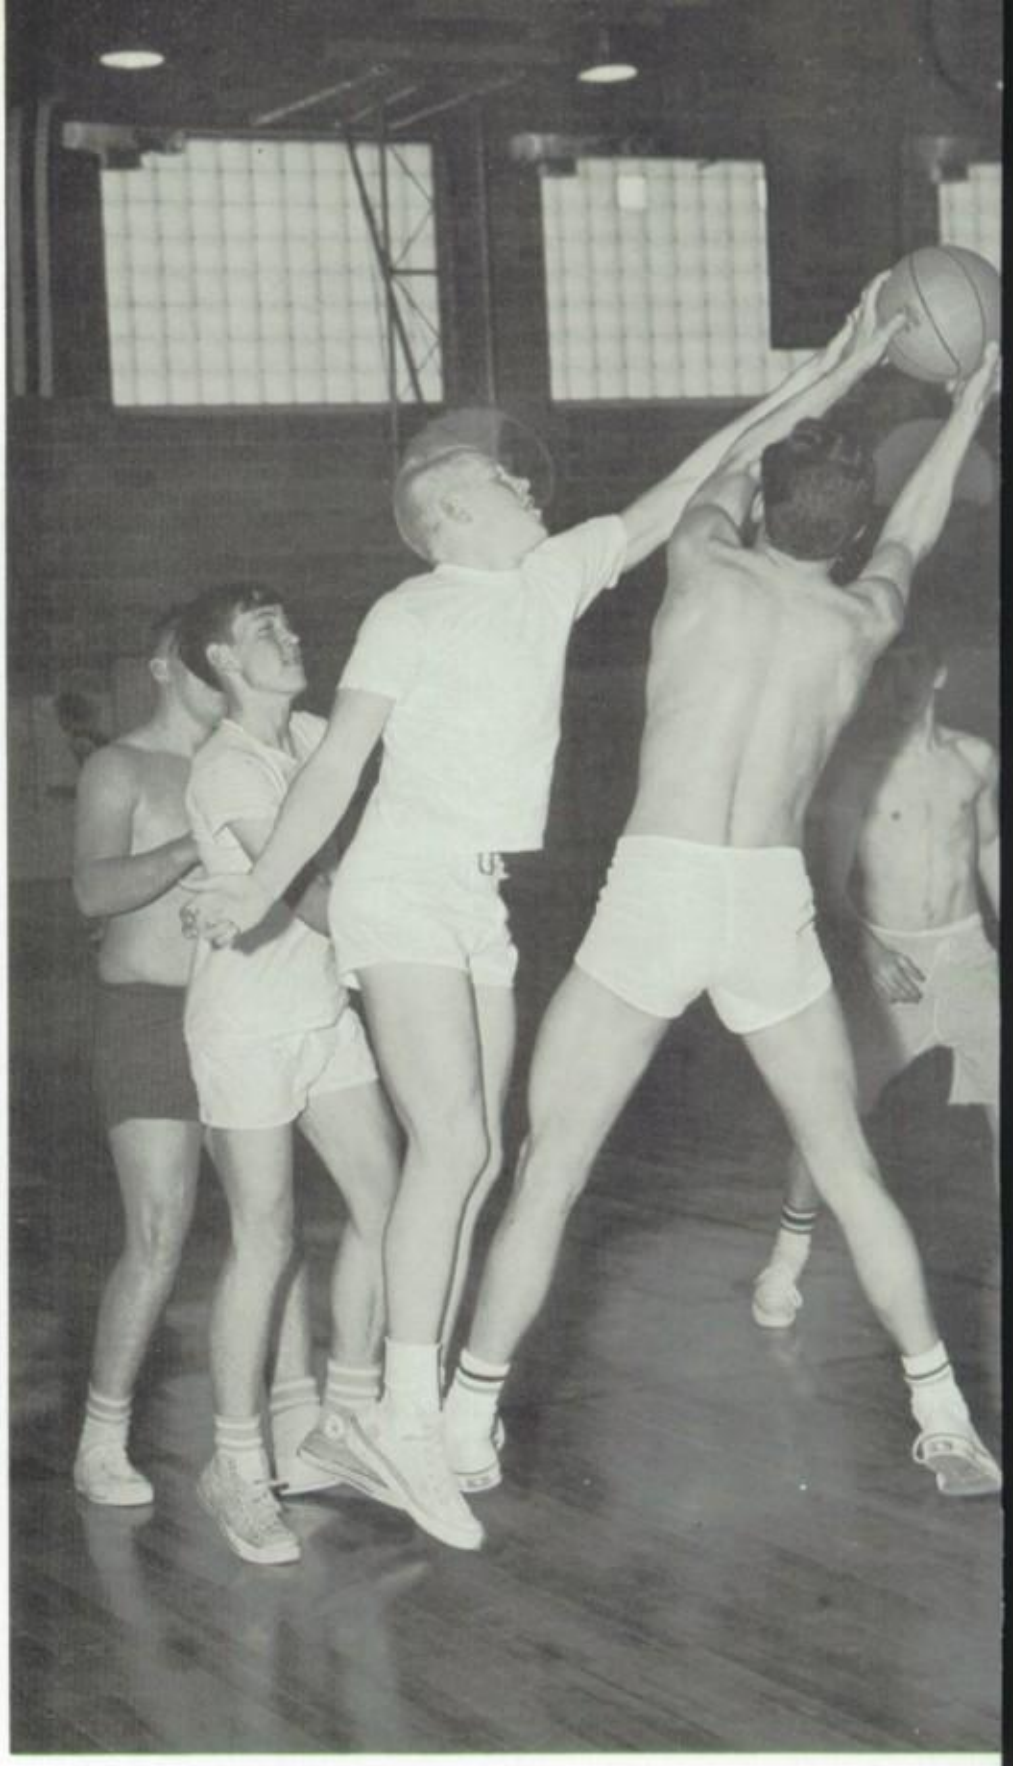
Golfers Doug Brown, Bryan Keeley, and Scott Brunzell check Tom Haase's arithmetic while figuring their scores from a previous round of golf.

Seniors Walt Radcliff and Kim Tyler, Juniors Tom Bock, G. E. Breed, and Bob Baldwin, and Sophomore Paul Thomas observe the expert technique with which Sophomore Bart Dennis earned a varsity golf position.

Intramurals – Variety

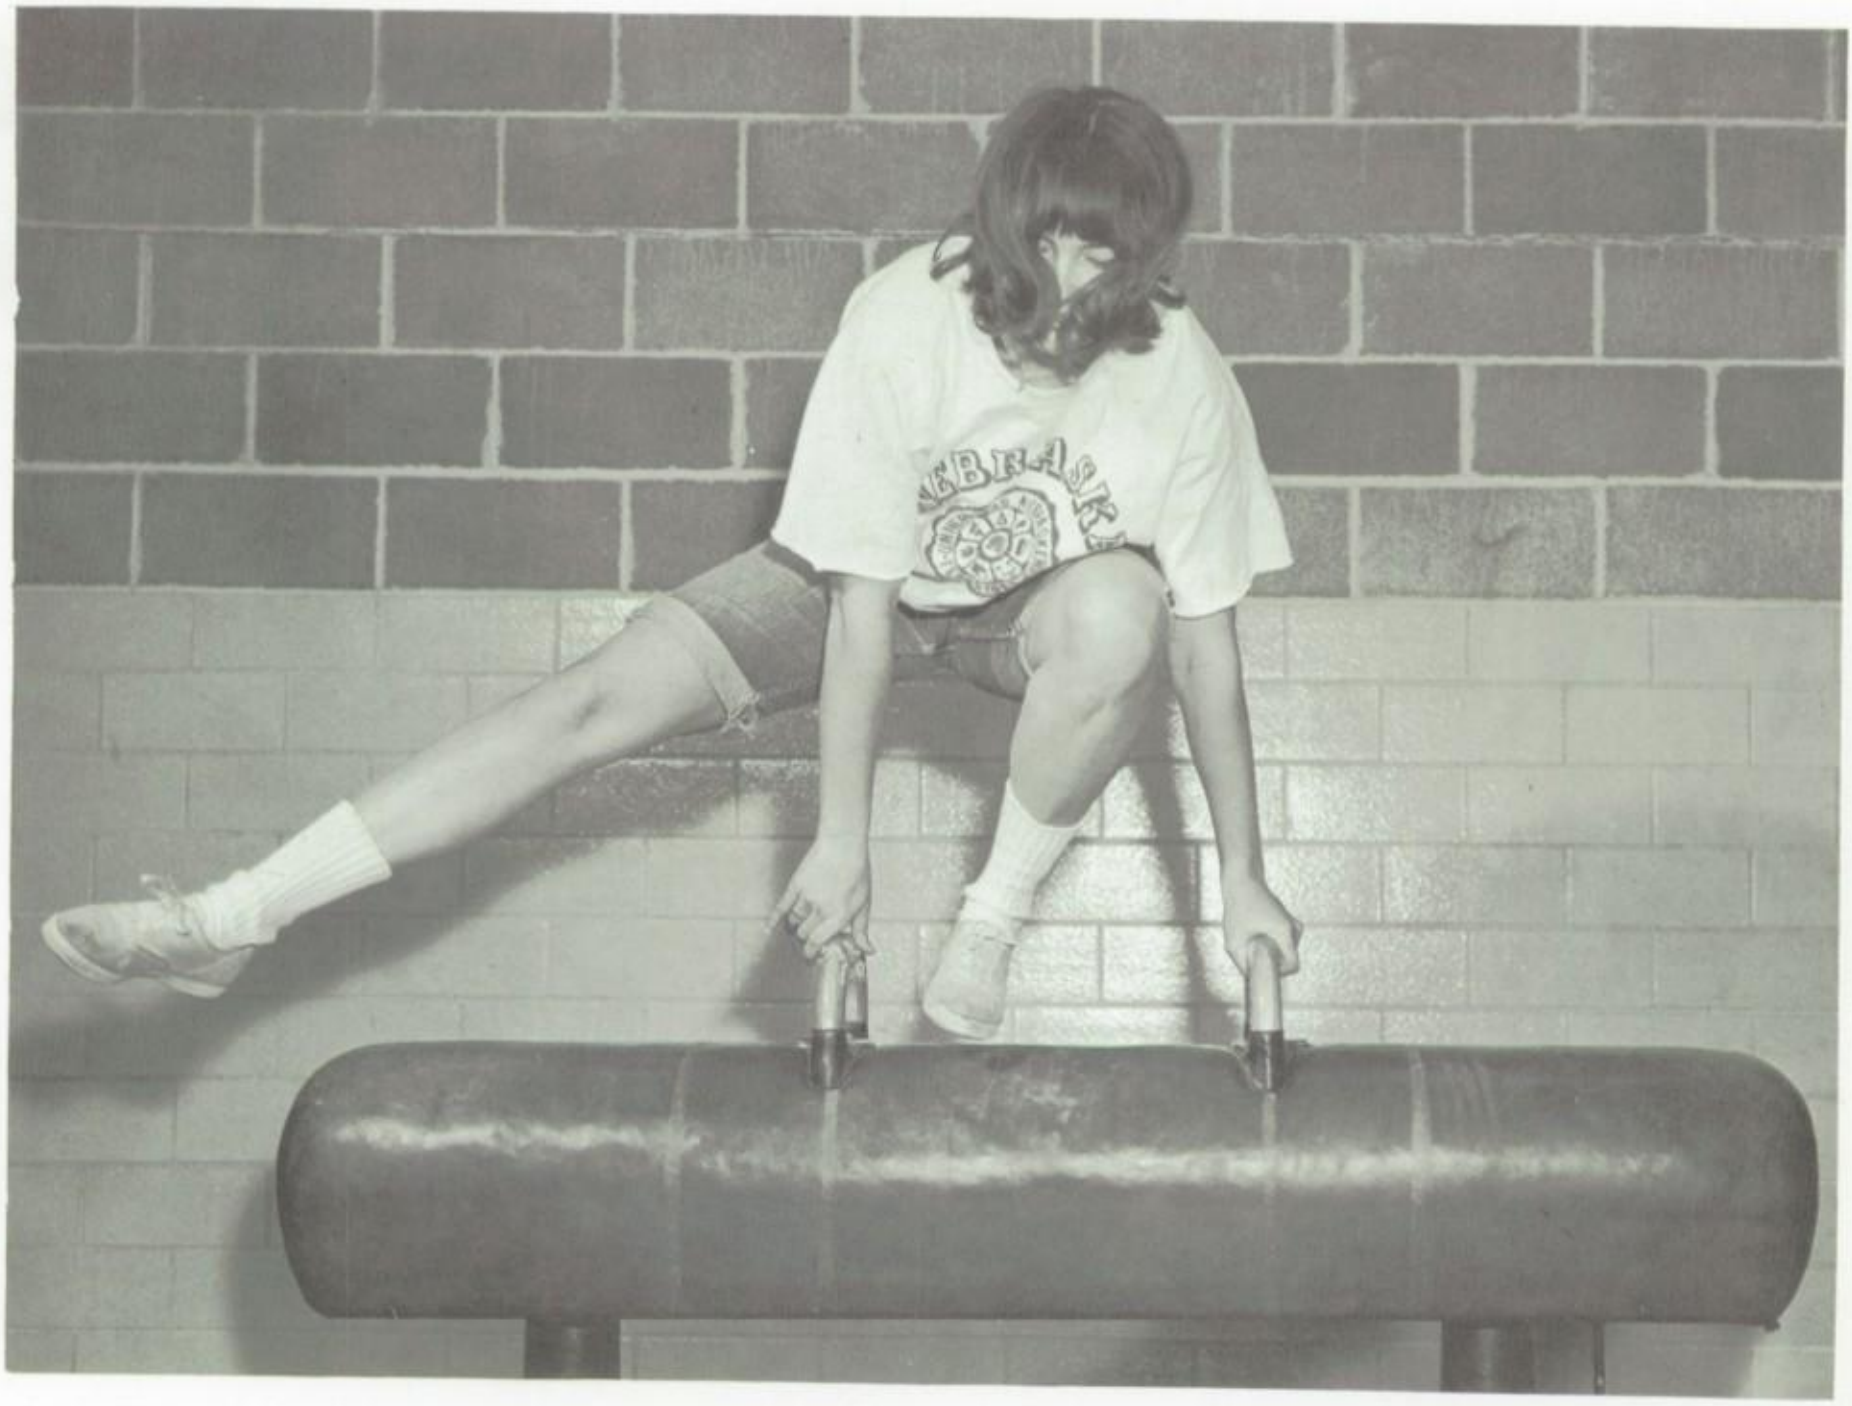
Boys' intramurals proved exciting this year in both the flag football and basketball games. Also included in intramural activity was ping-pong, swimming, softball, track and volleyball. All intramural action was under the direction of Darwin Salestrom.

The champions of most intramural sports met the winners from the other Lincoln schools to decide a city champion. Also highlighting the basketball season was the annual teachers-intramural champion game held before 1200 fans in the Southeast High School gym.



Senior Don Wilkens pulls down a rebound as the Warriors race past another opponent on the way to the 1965 intramural basketball championship.

This is flag football! The finer facets of line blocking are exhibited by Ron Burgess and Royce Knapp as they clear a path for back Bill Roux.



Participating in after school intramurals, Sally Webert performs a one leg straddle on the side horse.

Intramurals Meet Competive Athletic Needs

Through the intramurals program, directed by Kathy Jurgens, girls received an opportunity to compete in various sports. Included in girls' intramurals were volleyball and basketball.

In girls' phys. ed. classes, guidance in tennis, badminton, archery, gymnastics, and modern dance provided many exciting and constructive hours.

Tish Walker and Nan Webster fight for a precious rebound to illustrate the excitement of intramurals.

Sue,

The **SHIELD 1965** staff —
Nineteen profiles superimposed, nineteen personalities merged, nineteen lives focused on a single goal — the perfection of the **SHIELD 1965.**
A portrait of responsibility and dedication, tempered with tradition, sparked with creativity and originality, perfected by talent, unified with the frivolity of friendship.
My sincere appreciation —
For the time, the toil, the talents, the thoughts — for the **SHIELD 1965.**
My gratitude —
To Mr. Jack Riggle — photographer, Mr. Paul Bateman — Lincoln Yearbook Company, the middlemen between our ideas and your **SHIELD 1965.**
Mr. Donald Ferguson —
Our advisor, our critic, our inspiration.
Without your generous, patient, and capable leadership, the Profile of the Knights would have remained a dream.
The **SHIELD 1966** staff —
Our best wishes to you for an outstanding **SHIELD 1966.**

Maryann Jorgensen

Editor, **SHIELD 1965**
